Kurzbeschreibung From New York Times and USA Today bestselling author, Jana DeLeon, RESURRECTION IN MUDBUG, aka The Return of Helena Henry! Just when you thought it was safe to go back into the bayou Jadyn St. James is excited to start her job as game warden in Mudbug, Louisiana, and hopes it is the beginning of a new and improved life. She expected to run across any number of odd occurrences in the small bayou town, but she never thought her life would be in danger within a matter of days. And that's not even the worst thing. Helena Henry was hell on wheels both alive and dead when she resided in Mudbug, and a year in heaven hasn't improved her one bit. Now, she's back and has brought trouble with her. When it becomes apparent that a major crime is occurring in Mudbug, Colt Bertrand is more than frustrated to be saddled with an inexperienced game warden, especially one who looks like Jadyn. But it soon becomes apparent that they need to put their differences aside if they expect to solve the crime, and more importantly, stay alive. Praise for Jana DeLeon: DeLeon is excellent at weaving comedy, suspense and spicy romance into one compelling story. RT Book s I don't know where she comes up with this funny stuff, but I can't wait to read the next book Night Owl s Jana DeLeon has a breezy style with enough of a comic touch to leave you smiling. The Romance Reader Son of a gun, were having fun in the bayou! Fresh Fiction The quirky characters keep the action moving Barbara Vey, Publishers Weekly Blogger Kurzbeschreibung From New York Times and USA Today bestselling author, Jana DeLeon, RESURRECTION IN MUDBUG, aka The Return of Helena Henry! Fresh Fiction The quirky characters keep the action moving Barbara Vey, Publishers Weekly Blogger ber den Autor und weitere Mitwirkende New York Times and USA Today bestselling author Jana DeLeon was raised in southwest Louisiana among the bayous and gators. Her hometown is Carlyss, but you probably won't find it on a map. Her family owned a camp located on a bayou just off the Gulf of Mexico that you could only get there by boat. The most important feature was the rope hammock hanging in the shade on a huge deck that stretched out over the water where Jana spent many hours reading books. Jana and her brother spent thousands of hours combing the bayous in a flat-bottom aluminum boat, studying the natural habitat of many birds, nutria and alligators. She would like you to know that no animals were injured during these "studies," but they kept makers of peroxide in business. Jana has never stumbled across a mystery or a ghost like her heroines, but she's still hopeful. She now resides in Dallas, Texas, with the most spoiled Sheltie in the world.
