Von Ian Rankin : Resurrection Men (Inspector Rebus) before purchasing it in order to gage whether or not it would be worth my time, and all praised Resurrection Men (Inspector Rebus):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. SpannendVon HeislitzDer Roman ist ein Meisterwerk an komplexer Handlung, die auf verschiedenen Ebenen spielt, sowohl zeitlich und rtlich wie von der Zielstellung her. Siobhan Clark rckt mehr in den Mittelpunkt, Rebus bleibt aber der "Held". Der Schluss ist berraschend, wenn verschiedene Handlungsstrnge zusammengefhrte werden. Insgesamt ein

fesselnder und nur schwer aus der Hand zu legendes Meisterwerk.0 von 0 Kunden fanden die folgende Rezension hilfreich. Resurrection Men Von Colin McDougall Another great Inspector Rebus story. Rankin keeps you thinking - I start a story of his and I can't put it down! Fantastic!4 von 7 Kunden fanden die folgende Rezension hilfreich. Rebus, der Rpel Von Oledfan Eine Kaffeetasse fliegt bei einer Teambesprechung Richtung DCS Templar, seiner neuen Chefin, der nichts anderes brig bleibt, als den Werfer - und pikanter Weise Ex-Lover, DI Rebus, zu einem Auffrischkurs fr Polizei-Teamwork zu schicken. Dort trifft er eine illustre Schar von Beamten aus verschiedenen Dienststellen, die alle eines gemeinsam haben - ihre Dienstauffassung lief nicht mehr unter den "rules of the book", daher werden sie in diesem Kurs vergattert, einen ungelsten Fall neu auf zu rollen und in Teamarbeit zu lsen, am Ende sollten sie Auferstehung als geluterte Detectives feiern, die "Resurrection Men".....Rankin schlt in seinem Plot berraschende Haken, lsst seinen Helden dabei in den unmittelbaren Dunstkreis gefhrlich fauler pfel im Polizeikorps taumeln und schlielich sprichwrtlich am Rande seines eigenen Grabes stehen. Beim groen Showdown auf den finalen Seiten knnte man Gefahr laufen, wieder zum Ngelbeier zu mutieren...

Kurzbeschreibung The thirteenth Inspector Rebus novel from No.1 bestselling author Ian Rankin. Rebus is off the case - literally. A few days into the murder inquiry of an Edinburgh art dealer, Rebus blows up at a colleague. He is sent to the Scottish Police College for 'retraining' - in other words, he's in the Last Chance Saloon. Rebus is assigned to an old, unsolved case, but there are those in his team who have their own secrets - and they'll stop at nothing to protect them. Rebus is also asked to act as a go-between for gangster 'Big Ger' Cafferty. And as newly promoted DS Siobhan Clarke works the case of the murdered art dealer, she is brought closer to Cafferty than she could ever have anticipated....de Like Edinburgh inspector John Rebus, the resurrection men of the title are treading on thin ice--they've all been sent to a short course at the Scottish Police College because they've failed in some way, generally "an issue with authority." Rebus has been known to have issues of that nature before, which only boosts his credibility with the other cops in attendance, suspected by their bosses of being on the wrong side of the fence, on the take, or even guilty of murder on several previous occasions. The dour Inspector's agenda aims to bring the higher-ups proof of the so-called Wild Bunch's nefarious activities; in the process, his own conduct in the old case he and his college classmates must rework and revisit comes under scrutiny. A solid police procedural whose protagonist, the hero of 14 other titles in this internationally acclaimed series, continues to grow on readers who are just discovering him. --Jane Adams.co.uk Rebus is back. Resurrection Men, the 13th DI Rebus novel, finds Ian Rankin's doughty detective off the case. He explodes at his superior DCS Gill Templar over the increasingly frustrating murder inquiry into the savage killing of an Edinburgh art dealer and his punishment is a spell cooling his heels at the Scottish Police College in central Scotland. Rebus balks at his "retraining" but hes not alone: hes part of an ill-assorted group of similar officers--all with an attitude problem and a dislike of the institution they find themselves in. Given an old unsolved case to work on the group is obliged to polish up their teamwork while supervisors assess the reprobates. But some of the team have secrets not unconnected to the case theyve been handed and Rebus finds that anything goes when it comes to keeping the past obscured. This is Rankin in top form with Rebus rejuvenated by the edgy new milieu hes dropped into. Complicating things, the Scottish Crime Squad asks Rebus to act as a link to someone who can deliver the inside dirt on an old nemesis, gangster "Big Ger" Cafferty. In Edinburgh, Detective Sergeant Siobhan Clarke has to take over the case of the murdered art dealer and, like Rebus, finds herself getting closer to the unpleasant Mr Cafferty. Forget the miscast John Hannah in the TV movies, this is the real Rebus: gritty, idiomatic and etched in prose that wastes nae a word in its redefining of the crime novel. --Barry Forshaw
