Von Detra Fitch Vivienne "Call-Me-Vivian-and-Die" Varner had scooped up her young daughter, Lindsay, and left Belle Coeur, Missouri, to make her into a teen star. Vivienne left her other daughter, Jolene, behind, heart broken. Lindsay and Noah Patrick were the stars of a multiple-year TV series called "Betwixt and Be Teen". Noah was

high on life, bought expensive toys, and went changed girlfriends as often as he changed his socks. But Lindsay never wanted to be a star. Once she hit legal age, she slipped away from her mother's tight hold, flew back to Belle Coeur, and eloped. Lindsay had been a widow for eight years and had a 15 year-old son named Trey. They lived a low profile and very comfortable life in the small town of Belle Coeur, Missouri. Lindsay owned and operated a book store called "The Bookshelf" with the help of Emma (her mind reading, eldest cousin) and Pyewacket (the black cat who owned the town folk). Everyone knew each other and looked out for each other. The only bad apple was Jolene. Jolene had grown up mad at Vivienne for leaving her behind and took it out on everyone in town, especially her sister. She wrote a play that would put Lindsay and Noah together again, as well as, save the local theater. Noah took the part hoping to revive his long dead career. Once back with Lindsay though, all he wanted was to prove that he had changed and turned into a man she could love. ***** An awesome book by Lynn Michaels who is quickly becoming a well known author! As I neared the end of the book I slowed down my reading to make it last. The quirky characters in the town had me giggling out loud and grinning ear-to-ear. This author is not one to miss! *****

Kurzbeschreibung Love is sweeter the second time around. . . . Act One: Girl Leaves Boy Lindsay West may have the face of a Hollywood starlet, but the demanding life of a teen celebrity never suited her. So nearly twenty years ago, she left her hit TV show and returned to her hometown of Belle Coeur, Missouri. Now Lindsay takes a role in a new play at a regional theater, unaware that she'll be sharing the stage with her former cast mate, one-time heartthrob Noah Patrick. Act Two: Boy Tries to Win Back Girl Noah Patrick took the gig at the Belle Coeur Theater hoping it would help revive his stalled career but it was his heart that got the jumpstart. Playing opposite the beautiful and enigmatic Lindsay, he begins to understand that fame is fickle and fortune is fleeting but true love lasts. Growing up together on the set of the show that made them both stars, Noah didn't give Lindsay much thought. But now she has grown into someone impossible to forget. Act Three: Anyones Guess Fighting off man-eating bears, Lindsays quirky family, and a pretty serious case of pneumonia, Noah will do whatever it takes to prove that this former bad boy has turned into a man Lindsay can love . . . before the curtain falls! From the Paperback edition. From Booklist Noah Patrick was the heartthrob star of a hit television show, *Between and Be Teen*, but when his drinking spiraled out of control, he lost everything. Now in his thirties and a recovering alcoholic, Noah accepts the lead role in a play written by Joline, his agent Vivienne's vindictive daughter, and soon finds himself meeting the quirky citizens of Belle Coeur, Missouri. Among them is his beautiful former costar and Vivienne's eldest daughter, the widowed Lindsay, who is also acting in Joline's play. Noah's memories of Lindsay are fuzzy, but Lindsay has never forgotten how she gave him her heart and he cheated on her. As the two work together, Lindsay is surprised to see how much Noah has changed. Soon their late night script-reading meetings turn into much more, but will Lindsay be able to forgive Noah or will their secrets destroy them once again? With wacky characters, a wonderful small-town atmosphere, and a love story that won't quit, Michaels' romance will keep readers completely engaged. Megan Kalan Copyright American Library Association.
