Von T.E. Ridener : Return to Kadenburg (The Kadenburg Shifters Series, Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Return to Kadenburg (The Kadenburg Shifters Series, Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great

second, maybe better than the first! :-D Von Jules Of course I instantly had to read on and I can tell you, I finished both books in not even twenty four hours. So, book two... Dimitri and Rutley... Hell, I want that. I want that so bad. I mean, you don't get that. It's not the I-want-some-ice-cream-now-way. It's the without-it-I-can't-breathe-way. Those two deserve some happiness, don't they? I mean, come on!!! Dimitri is hurting like hell and Rutley basically has had a tough life with his dad... And without a real family. This seriously kills me... Especially when Rut gets all touchy and thinks he's so close and then... His heart breaks into tiny tiny tiny little pieces... My heart couldn't take that. AT ALL. Oh, of course, there was a little more to that story... At least I think so... Was there?? Haha, just kidding! Lorcan and Pres... Well, I loved them in book one, I totally do in book two... Their happiness even amongst the chaos... I think everyone deserves a love like that because we all do need a ray of sunshine during dark days, right? And I can get my own bear, right? They do exist... RIGHT? RIGHT? In case you didn't get it yet: I loved the books. I want more of the books. I need more of them. Oh, and go and read them, which is what I wanted to say anyways! :-D

Kurzbeschreibung With four missing persons and witnesses who refuse to talk, Kadenburg's sheriff finds himself in a bind on what to do. Swallowing his pride and biting the figurative bullet, he calls for backup: his son. 29-year-old Rutley Holter hesitantly returns to his hometown to rejoin the family business: hunting werewolves. He never intended to return to Kadenburg, but it soon becomes personal when he discovers his best friend has been murdered presumably by the very same sniveling mutts his father suspects to be responsible for the disappearance of some locals. While searching for familiar faces, he has a chance encounter, and consciously rescues, Dimitri, who just happens to be the one thing he was raised to kill. It isn't long before he begins to fight an inner battle of loyalty, and the line between right and wrong starts to blur. Being threatened by Breslin Connor is the least of Lorcan and Presley's worries. As they struggle to find normalcy in an incredibly extraordinary town, they will come face-to-face with demons from their pasts and ponder over an uncertain future. Will their love for one another truly conquer all? New characters and adventures will emerge in book 2 of the Kadenburg Shifters Series. Prepare yourself for laughter, tears, and nail-biting suspense as you re-enter the most magical little town in Tennessee. Welcome back.-----Approximately 76,777 words. Other books in The Kadenburg Shifters Series: The Truth About Kadenburg (Book #1) The Siege of Kadenburg (Book #3) Kadenburg Revealed (Book #4) Kurzbeschreibung With four missing persons and witnesses who refuse to talk, Kadenburg's sheriff finds himself in a bind on what to do.
