sting within a sting Von Helen Hancox I seem to be reading this trilogy of books in reverse order. I started with 'Run To Me' which is the third in the series, then picked up this book, 'Return to Me' which I thought was the first but turns out to be the second. Fortunately it didn't seem to matter at all as each story works in its own right. And this is a good read, a book that slowly builds as our heroine, Samara Lyons, finds herself drawn in to a world unlike anything she had experienced or even known about before. Samara is known to Noah McCall, boss of Last Chance Rescue, as she was the former lover of Jordan, one of the LCR operatives (and, I presume, the focus of Book 1, 'Rescue Me', which I still haven't read). She met Noah at Jordan and Eden's wedding and was instantly attracted to him; however, this didn't go well and he resisted her attempted seduction and disappeared from her life. But now Noah's back. He needs Samara's help as she has something he needs - her looks. Samara is small and very young looking and he needs her to help with a sting operation to try to get to the bottom of a group that are kidnapping teenage girls whom they contact through internet chatrooms. It will, of course, be a safe operation with Samara always surrounded by LCR operatives. Or will it? The story might seem slow initially in terms of plot action but the author is using the time to introduce the characters properly to each other and to build on the attraction they both have. I liked Samara and her feistiness, as well as her occasional vulnerability. Noah was rather afflicted by the men-in-action-novels-who-are-hunky-but-emotionally-clueless syndrome but he sorts himself out eventually, as one would suspect. Parts of this story are actually fairly dark, although the author handles them well. There's danger and murder and kidnapping and more, but the focus actually seems always to be more significantly on Noah and Samara and their interactions. This was a great read, very exciting and, although perhaps a little unbelievable at times, a worthwhile read for those who like action and adventure with their romance. Kurzbeschreibung DESIRED TO DEATH Posing as an underage teenager, Samara Lyons is out to trap an online predator. Smart, fiery, and fresh off a broken engagement, Samara is up for the challenge. But this challenge might not be so easy. Her boss, Noah McCall, head of a private international corporation called Last Chance Rescue, can't disguise his raw, physical desire for Samara and she's going crazy battling her own feelings for him. The middle of a high-stakes op, with the fate of dozens of innocent lives on the line, is not the time to indulge in sensual delights. Then the sting explodes, forcing Noah to face his dark past and throwing Samara into the middle of an evil tug-of-war. Noah must confront an enemy he knows better than anyone else in the world, while Samara must find a way to stay alive. Now it's no longer a matter of desire; it's all about survival. From the Paperback edition. Pressestimmen "The dramatic adventures continue in the second book of hot new talent Reece's trilogy. Book two sets its sights on the founder of Last Chance Rescue, Noah McCall. Emotionally damaged by his horrendous upbringing, this hero has his heart locked down, but heroine Samara Lyons is no shrinking violet. Together, these protagonists play with life-and-death stakes, and danger emanates from every page. Take a walk on the perilous side ... you won't be disappointed!" - Romantic Times Magazine "Return to Me is the type of book you will pick up and NEVER want to put down again. This is the second novel in this trilogy and Ms. Reece has written an amazing story of love, life, crime, and fighting for what is right. With a hero who is tormented by his past, we get to see how Noah is cold and calculating with the bad guys and soft and gentle with the victims. Samara is a tiny scrap of a girl who is mistaken for fourteen instead of the late twenties she is, and she goes about showing us exactly how tough she really is. Steamy sex scenes, intense fighting scenes, the sensation of struggling to survive, edge-of-your-seat feelings, and finding your true self make this mind-blowing book a must read story and made me a new fan of this remarkable author!" - 5 Cup, Coffee Time Romance More "The second LCR thriller is an exhilarating romantic suspense starring two kick butt champions in love." - Harriet Klausner, Merry Genre Go Round s Kurzbeschreibung DESIRED TO DEATH Posing as an underage teenager, Samara Lyons is out to trap an online predator.
