Von Shannon McKenna : Return To Me before purchasing it in order to gage whether or not it would be worth my time, and all praised Return To Me:

KundenrezensionenHilfreichste Kundenrezensionen3 von 4 Kunden fanden die folgende Rezension hilfreich. Shannon McKenna never disappoints!Von Ein KundeIn this book you will meet Simon and El, who were sort of highschool sweethearts until Simon had to leave the town. Seventeen years later, they meet again and fall in love with each other. As always, McKenna never disappoints. The lovestory is sweet and the rest of the plot is a nice melange of suspense and action. Predictably, the story leads to an happy end where hero and heroine fall in each other's arms. If you like this sort of story you will love Return to me. Don't expect realistic characters or a realistic plot, but passionate love scenes and a lot of feelings. Five stars for it because it comes up to my expectations of this genre of fiction.

KurzbeschreibungThe Midnight Man It's been years since bad boy Simon Riley hopped a freight train out of town and Ellen Kent's given up wondering what happened to him. Running a successful bed and breakfast in Oregon doesn't leave her a lot of time for fantasizing about midnight kisses and secret passion. . .until an unexpected visitor knocks on her door. Simon is back. She had no idea that he was a famous photojournalist, working in war zones around the world. But the man is everything she wants in a lover--and more. . . The Midnight Hour Dogged by trouble, Simon swore he'd never return to this backwater town, even to see El Kent. But he had to investigate his uncle's sudden death--and El's lush beauty still tempts him beyond belief. He knows he can satisfy her most hidden desire--and he's hungry for the sensual tenderness that only she can give. The last thing Simon would ever do is hurt El, but someone is forcing his hand. Someone who will stop at nothing to keep the past dead and buried--even if means silencing the woman Simon loves. . .KurzbeschreibungThe Midnight Man It's been years since bad boy Simon Riley hopped a freight train out of town and Ellen Kent's given up wondering what happened to him.
