The Provincetown Tales are continued as good as ever!Von PhilologusThe Provincetown Tales are justly acclaimed - lesbian romance at its very best. And the newest book by Radclyffe Returning Tides does not disappoint. In fact

romance, some thrill and of course most of our favourite characters are back for a very strong book. So don't start this novel without time at hand to finish it in one sitting.

KurzbeschreibungA devastating hurricane brings insurance investigator Ashley Walker back to Provincetown, the last place she wants to be. Not only must she deal with the dangerous consequences of the natural disaster, she has to fight her soul-shattering need for the woman she left behind. While Reese Conlon and Tory King deal with the challenges of a community in turmoil, a new threat emerges that proves to be even more deadly than the ravaging storm. A silent killer stalks the night, drawing ever closer to the one woman he believes to be his. Soon, no woman is safe, including Tory. The sixth in the Lambda Literary Award-winning Provincetown Tales.
