Kudos to Ms. Sala!!Von Ein KundeAfter a terrible accident that killed both his parents and left him in a coma, Gabriel awakens to strange voices inside his head. Fearing he's going crazy, he tells no one. Each night when Gabriel goes to sleep he

dreams terrible dreams of people being murdered. The next morning he reads about these same murders in the paper. Finally, he tells his uncle. Gabriel's uncle contacts Laura Dane, a psychic who has spent years helping solve murders. Laura comes to see Gabriel and immediately realizes that they will have an intimate relation sometime in the near future. Laura helps Gabriel realize what his problems are and they eventually fall in love, although lurking in the background is a killer that keeps entering Gabriel's dreams. I'm not going to give the ending away, and as to why Gabriel is having these nightmares. This book is definitely a must read, especially for all of the Sharon Sala fans out there. Ms. Sala has outdone herself. This book is just as good, if not better, than Sweet Baby. 0 von 0 Kunden fanden die folgende Rezension hilfreich. As usual, a great work of romantic suspense. Von Ein Kunde Gabriel Connor knows first hand the dangers of driving under the influence. A drunk crashed into his car, leaving his parents dead and Gabriel in a coma. When he finally regains his physical health, Dr. Michael Travers, a close friend of his parents, takes the grieving Gabriel home. However, Gabriel soon realizes that he is inflicted with an after effect from the devastating accident. He now hears women begging with him to save them. The problem is he hears them inside his head. He also suffers nightmares of an individual brutally murdering these same women. However, the real fear occurs when he reads the identical account of his dream in the next day newspaper. Michael asks wealthy psychic Laura Dare, who has assisted the police on occasion, to help his friend, which she reluctantly agrees to do. Gabriel has tapped into the actions of a serial killer, "Prince Charming", who leaves behind a rose with each murder. As Laura and Gabriel work together, they fall in love. However, a vicious serial killer will do anything, including eliminating any that threatens to reveal more than his sobriquet to the public eye. It should be no surprise to romantic suspense fans that Sharon Sala's latest novel is superb because all her novels are great. Reunion is a tremendous blending of non-stop romantic suspense with elements of ESP worked into a great plot that will keep readers attention from start to finish. The lead characters are an interesting duo, whose very survival depends on trusting their growing love. This novel will score a stratospheric super success for Ms. Sala. Von LoveLetter Magazin Nach einem schweren Autounfall, bei dem seine Eltern ums Leben kamen, erwacht Gabriel Donner Tage später aus dem Koma. Physisch erholt er sich rasch, aber nun beginnen ihn verstrende, grausame Träume und Stimmen in seinem Kopf zu quälen, die ihn sogar schlafwandeln lassen. Als er in der Zeitung über einen Artikel zu einem Mordfall stolpert, der einem seiner Alpträume gleicht, vertraut er sich seinem Onkel an. Da der Psychiater auch keinen Rat weiß, wendet er sich an die Hellseherin Laura Dane. Mit ihrer Hilfe soll sein Neffe herausfinden, ob es sich tatsächlich um Vorahnungen handelt, die vielleicht sogar Aufschluss über einen Serienmörder geben. Gabriel dagegen fürchtet, dass er gar nicht von Visionen heimgesucht wird, sondern dass er selbst der Täter sein könnte. Wer Spaß an raffiniert ausgeklügelten Geschichten mit bersinnlichem Einschlag hat, sollte sich diesen Roman von Sharon Sala nicht entgehen lassen. Gekonnt lässt die Autorin nicht nur den Protagonisten sondern auch den Leser zunächst im Dunkeln tappen, was es mit den seherischen Fähigkeiten auf sich hat. Die Rastlosigkeit und Verstricktheit des Helden scheinen fast greifbar. Dagegen bleibt die sich anbahnende Liebesgeschichte zwischen den Hauptfiguren relativ flach. Beide sind zwar durchaus sympathisch, als Paar fehlt ihnen aber leider das gewisse Prickeln. Wer über diesen Umstand hinwegsehen kann, darf sich über einen spannenden Fortgang und eine mit Überraschungen gespickte Auflösung freuen. Die paranormalen Elemente sind behutsam eingestreut, weshalb der Roman auch solchen Lesern zu empfehlen ist, die dieses Genre normalerweise meiden.

Kurzbeschreibung A true romantic thriller that will have you believing in the unseen Gabriel Donner has just lost both parents, and nearly his own life, in a tragic accident. And now he is experiencing something he just can't handle on his own: psychic dreams, dreams that often end up in the morning paper. In vivid detail Gabriel's dreams show him a series of murders almost as if he were committing them. Telling the police is out of the question. They would never understand how he could know so much and not be guilty. Gabriel reluctantly turns to Laura Dane, a psychic, for answers. When Laura first comes to Oklahoma City, Gabriel doesn't trust her. But as she helps him and as their relationship turns into something more can they stop the visions, and the murders? When he awakens from a coma nearly two months later, Gabriel hears a voice inside his head--a voice that isn't his own. Afraid that he's losing his mind, it isn't until Gabriel leaves the hospital that he confides in a longtime family friend that he's not only hearing the strange voice but seeing grisly murders in his mind's eye as well. Alarmed, the friend contacts well-known psychic Laura Dane. The

moment she shakes the handsome Gabriel's hand, an instant vision tells Laura that they will be more than psychic and client--and that this case is going to be far from ordinary. As Laura fights to help Gabriel unravel the puzzling skein of events and seemingly unexplainable psychic occurrences, she finds herself falling in love. But is the man she loves innocent, or is he committing the murders the police have chalked up to a serial killer they've dubbed "The Prince Charming Killer"? Find out in this emotionally intense and gripping romantic suspense novel. --Lois Faye Dyer
