**Von Maggie Ryan : Reunion (Hunter's Ridge Book 3) (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Reunion (Hunter's Ridge Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I didn't want this book to endVon -KundeI loved this book so much, I didn't want it to end. Maggie Ryan is the queen of Victorian Age Play.I followed Lucy and Louisa from the first Wintercrest book on their journey and care deeply about them and their papas/husbands. The way Maggie Ryan describes the dual roles these woman live is truly outstanding. The way Mrs. Ryan described the depth of submission Lucy and Louisa are giving freely to their papas and the way

these two men acknowledge this submission as the gift it is and cherish their little ones for it is just absolutely beautiful. I truly enjoyed the dialogues between Lucas and Edward, it was a wonderful inside into their hearts. The punishments were even more creative than in the books before and made for a very hot read. Mrs. Ryan incorporated some elements of modern BMDS play within the Victorian setting and it was deliciously evil. I still don't care for Mrs. Bremmer and the scenes with her in this book left me doubting if she really cares for Louisa or simply enjoys humiliating and punishing her not out of a sense of love for her little charge but for Anna's own enjoyment over Louisa's discomfort. Thankfully these scenes were just in the beginning. All in all I must say, this book, as well as all the previous Wintercrest/Hunter's Ridge books, let me escape into another world completely while reading and I thoroughly enjoy this world, the deep love and unbreakable bond between the little ones and her papas are tangible throughout the whole story. I can't wait for the next book and see what happens to Etti and Franny, I am pretty sure we are in for some surprises. Thank you for another wonderful story, Mrs. Ryan.

**Kurzbeschreibung** In this, the third book of the best-selling Hunters Ridge series, twin sisters, Louisa and Lucy, are looking forward to reuniting after several months apart. Though they correspond regularly, letters are nothing compared to being together, sharing their lives, and whispering their secrets to one another. Anticipation has caused both to be naughtier than usual but their husbands, who are also very strict Papas, have no hesitation in reminding them what happens when their Little brides test the rules. After a very educational evening visit to Miss Eleanor Summers' school, Louisa's eyes are opened to what might be if she continues her bratty ways and her attitude is quickly adjusted. Lord Edward Wintercrest has not only taken possession of an intriguing box from Eleanor to share with his best friend and Lucy's Papa, Lord Lucas Huntington, he has also ensured that the long carriage ride to Hunters Ridge will offer his precious little lady comfort and distraction from boredom. Lucas family is excited about the upcoming visit as they prepare for the holidays and the final ball of the season. And Lord Stefan Northbridge is not one to sit idly aside when there is a chance to do a bit of matchmaking. Will Franny be able to trust another suitor after her narrow escape from the clutches of Lord Drakemore? Is Etti ready to put away her childhood toys as she enters the grown-up world, or is she looking for a man far more like her brother than Lucas realizes? Only a few things are certain: no matter what the future holds for the others at Hunters Ridge, both Lucy and Louisa will continue to be cherished and coddled by their husbands and their Papas will always be there to remind them of their vows to submit. With their unwavering love for these precious women, and unfaltering attention to their backsides whenever they step out of line, this reunion exceeds both sisters' expectations. Once again, Maggie Ryan, the queen of Victorian ageplay erotica, combines love, friendship, humor, and delicious scenes of discipline and lust to tell a story that is as heartwarming as it is sexy.
