KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ganz gutVon MinelliIch mochte das Thema auch wenn es nicht neu ist. FBI Agentin geht Undercover und verliebt sich in den vermeintlichen Kriminellen. Ich mochte die Story und das Ende. Das Buch lie sich gut lesen, allerdings finde ich,

dass hier im Epilog mal hätte gesagt werden können was die beiden in der Zukunft machen. Leseempfehlung PS April und Foster haben hier einen Cameo-Auftritt, aber Foster muss man vorher nicht gelesen haben

Kurzbeschreibung My name is Chloe, and I'm a cop in love with a killer. Fresh out of Quantico, my first FBI assignment is to infiltrate Chicago's most infamous crime family. My target is tall, dark, and handsome Denton Russell. Son of the family Don, Russell handles a lot of the dirty work and he knows where all the skeletons are buried. Denton is an intense, sexy, complicated man. I have a thick FBI file that suggests he's killed before, but I also see him helping junkies and debtors. The more time I put into my case, the closer I get to taking the whole family down and to ending up in Denton's bed. Our chemistry becomes white-hot passion, and I find myself falling for Denton even as I discover that he's dead set on murdering a rival mobster. It's a personal vendetta, revenge for the death of a girl who happens to look just like me and Denton will not listen to my pleas for peace. One minute, I'm in Denton's arms, experiencing soul-deep love for the first time. The next, I'm trying to convince the FBI that my lover isn't a cold-blooded killer. My FBI bosses throw down the gauntlet. Bring in Denton and take down the mob, or lose the career I've worked toward for years. It's an impossible choice. How can I send Denton to jail, when I've already given him my body and my heart? More importantly, when my secrets are revealed, will I be strong enough to keep us both alive?

Sometimes we must sacrifice what we truly love most, all in the name of REVENGE. Revenge is a full standalone novel with a HEA and no cliffhangers. As an added bonus, Revenge also includes a FREE copy of my previous novel Foster. Revenge finishes at about 50% on your Kindle.
