Von Stephen King : Revival (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Revival (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A terrific shocking reality for those who believe...Von MRAll my ... will start with e now.Worth reading, studying and thinking about...The first part goes a little steady and might seem a bit annoying but sometimes its worth fighting till the end.Give it a shot and try!The readers love you, Stephen King.0 von 0 Kunden fanden die folgende Rezension

hilfreich. good read
Von Dark Matter
I have never been disappointed by Stephen King. This book keeps up the high expectations. King is the best writer of this time.

Von clah
Really good. It's a bit slow at the beginning but as it moves forward, it gets more and more intense. The end is really good, I would have never thought of what happened!

Kurzbeschreibung
A spectacularly dark and electrifying novel about addiction, religion, music and what might exist on the other side of life.
In a small New England town, in the early 60s, a shadow falls over a small boy playing with his toy soldiers. Jamie Morton looks up to see a striking man, the new minister, Charles Jacobs. Soon they forge a deep bond, based on their fascination with simple experiments in electricity.
Decades later, Jamie is living a nomadic lifestyle of bar-band rock and roll. Now an addict, he sees Jacobs again - a showman on stage, creating dazzling 'portraits in lightning' - and their meeting has profound consequences for both men. Their bond becomes a pact beyond even the Devil's devising, and Jamie discovers that revival has many meanings.
This rich and disturbing novel spans five decades on its way to the most terrifying conclusion Stephen King has ever written. It's a masterpiece from King, in the great American tradition of Nathaniel Hawthorne and Edgar Allan Poe.
Pressestimmen
Scary and profound. Mail on Sunday
King at his regal best, fully in command of a terrifying story, a great cast and page after page of top-notch writing ... the darkness of genuine horror. Absolutely superb. Daily Mail
There are few writers able so effortlessly, so naturally and so intimately to lay out the details of a life. Perhaps that's why, when the book begins to slide away from our own reality, we're happy to follow where Jamie leads. Guardian
He shows he can still pull off scenes with a characteristic combination of intensity and oddity. Sunday Times
The strongest thing he's written for a decade, with the nastiest ending of any book this year. -- Tim Martin Telegraph
Simply superb ... classic King: intimate, readable and convincing ... tastier than most bestsellers out there. Independent
A serious book by a major writer. New Statesman
King returns to his more familiar horror genre with a bang in this book and what makes Revival so genuinely scary a read is his uncanny skill in juxtaposing the minutiae of ordinary suburban or rural American lives with another, scarcely glimpsed, parallel world of chaos, darkness and monstrous evil. Irish Independent
Werbetext
The No. 1 hardback bestseller, King's spectacularly dark and electrifying novel about music, the powerful bond between two people, addiction, religion and what might exist on the other side of life.
