TrivialVon Karin P.I started reading the book, looking for something light to read in the evening. The story is thin, but there are other books that have such a thin storyline as well. Apart from this, there are several spelling-errors in the book. The language is simple and for my taste, there are too many uncommented dialogues. I quit after reading half the book because I was bored. It's not that I don't like the genre - I sometimes read young adult although I'm far

beyond this age. It's just because this special book here is too trivial for trivial.0 von 0 Kunden fanden die folgende Rezension hilfreich. Rhett...ohhhh Rhett ;)Von MicWhat can I say...this story is a typical example how slow sometimes a man can figure out his feelings. What's right in front and still he won't see it until it's almost too late. A lovely story, about two best friends since a very young age. A story about how deep feelings can develop underneath the surface and that sometimes love and to be loved needs a lot of courage. I liked this book a lot. It's an easy and nice read. You know how it will end, but still the progress of the story is wonderful and the feelings which you will feel while reading are great to absorb. Rhett is so full of himself...he is sexy, charming, caring and wonderful...for Clementine..and only for her. And the process of realisation is fun and lovely.0 von 0 Kunden fanden die folgende Rezension hilfreich. Ganz nett Von Minelli Ich habe jetzt schon einige Friends to Lovers Romane gelesen und muss sagen... sie sind schon alle relativ gleich. Trotzdem war Rhett ganz gut, die Protagonisten haben nicht genervt, das Ende war kitschig bis zum geht nicht mehr. Bester Satz: Sometimes I wondered what life would be if I wasn't so handsome. Lese die ganze Reihe: Wahrscheinlich nicht Lese mehr von der Autorin: Möglich Lese ich noch Mal: Nope Leseempfehlung: An alle die ein Friends to Lovers Buch lesen wollen (wobei ich da eher Sincerely Carter oder Boy Toy empfehle)

Kurzbeschreibung New Standalone novel from New York Times Bestselling Author J. S. Cooper Im Rhett. Im cocky because I can be. I've got it all: the looks, the money, the endurance. I'm the guy that every girl wants to be with, yet none of them have ever been able to tie me down. I don't do love. I don't do relationships. And I sure as hell will never do marriage. I'm all about the fast life and everything that entails. There's a different woman in my bed every week. My friends are jealous of me. My enemies envy me. Everyone wants my life. And everything in my life is absolutely perfect. At least, that's what everyone thinks. Everything changed the day, Clementine O'Hara told me she was moving away. She's my best friend. She was my first kiss in grade school. We share everything with each other. She's the only girl I haven't tried anything with because she's off-limits to me and my friends. Only, suddenly I'm seeing her in a different light. Im Rhett and I don't let anything get me down. Then one night changed everything and everything I thought I knew was called into question. All of a sudden, being Rhett didn't mean so much anymore. All of a sudden my friendship with Clementine was in jeopardy and I wasn't sure what I was going to do.
