Wow! Von Ein Kunde "Ribbon In The Sky" is another wonderful story by Dorothy Garlock. If I'm thinking about the

characters from a story that I am reading while I am trying to get my work done, then I consider that a book worthy of 5 stars. Other books that I loved by Dorothy Garlock are "Forever Victoria", "The Listening Sky", "Love and Cherish", "Sweetwater" and "With Song".0 von 0 Kunden fanden die folgende Rezension hilfreich. This is my most favorite book I've ever read.Von Ein KundeI have read over 5,000 books and Out of all of them, this is the one that I reread and reread again and again. I love this book and the story. it is one of the sweetest and most tender stories, while having a twist of excitement. It is a true love story and no other novel can compare to it. If every novel was written like this, we wouldn't have TV.0 von 0 Kunden fanden die folgende Rezension hilfreich. This book was the most romantic story that I have ever read.Von Ein KundeThis book was the most romantic story that I have ever read. The love these two people feel for each other was written so well that I could feel their pain in their separation, and their joy when they finally accepted their love for one another. The feelings that Mike was experiencing were especially moving.

KurzbeschreibungLove is put to the ultimate test as spritely Letty Pringle is banished by her cruel father to raise her son on a desolate farm in Nebraska in the early 1900's.From Publishers WeeklyGarlock's (Homeplace) trite, cliché-ridden tale is set in the years before and after World War I. When 15-year-old Letty Pringle becomes pregnant, her father, a hypocritical evangelical minister, beats her and orders her to "take your hot little twat and leave my house." Her lover, stet comma Mike Dolan, has left home to find work so that he can marry Letty, not knowing she is pregnant. Mike returns to hear that Letty is dead--her father having publicly announced her demise--and enlists to fight in the war. 58 . In fact, Letty has taken refuge on her grandparents' Nebraska farm, convinced that Mike has abandoned her. When he appears at the farm after five years determined to "devote the rest of his life making it up to her," Letty doesn't want to hear about it. However, Letty's wise, old Grandpa Jacob, along with her and Mike's son, Patrick, stet commas and Helen, a child fostered out to Letty's care, give the determined lover a place in their hearts. But just as things are about to work out for Mike and Letty, some cartoonlike villains--Helen's drunken, child-molesting father, a sheriff's deputy turned bootlegger and Letty's Bible-thumping family--all threaten their newfound happiness.
