I love books about revenge! And this was one hell of a book! Truly amazing!Nick has it all, a beautiful and loving wife, a perfect baby boy, a dog, a beautiful home and a good job. On Devils Night (the

night before Halloween) everything changes and he has nothing left. When he comes home from a business meeting he discovers that someone broke in to his house. I won't go in to detail because what happens next is nightmare material. When he wakes up in the hospital, he can't understand how he made it out of the house alive. Aubree Culling is married to the Mayor of Detroit Michael Culling and lives in her own hell. Michael Culling is a sadistic psychopath. He abuses her on a daily basis. Aubree can't remember a day without a bruise on her body. Michael Culling is not only the Mayor of Detroit, he also is one of the filthiest and powerful Gangsters. One of his allies is the Chief of the Police, who covers all his illegal business and his associates. Nick has only one reason to go on with his life, this reason is revenge. Not only against the gang who murdered his wife and son in front of him but also against the men who ordered their deaths and covered it all up, Mayor Culling and Chief Cox. One part of his revenge plan is to kidnap Aubree Culling. This was an awesome revenge book. The story was really heart-breaking. And I have to say that Keri Lake did an amazing job creating that psychopath bastard Michael Culling, I really hated him. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Ricochet rocked my world... Von LittleDarling "Ricochet" by Keri Lake makes it nearly impossible to write a review that does this amazing story justice. Keri Lake has put me under her spell with the tale of Nick and Aubree. I love this book so hard that I want to yell about its awesomeness from the rooftops. I want to shove it into the hands of everyone I know and urge them to read it. It's the type of book that will stay with me for a very long time to come. It has left me completely stunned and in awe. It tore out my soul and heart. It obliterated me and my feelings. It was painful, brutal, raw and intense, but in the end, it was worth every tear, every sob and every pain it caused. Keri Lake doesn't hold back, doesn't make things pretty and shiny to make it easier on the reader. She writes them as they are - dirty, gritty and heart-crushing. Lately, I've been reading more and more dark books, but none of them have a chance to live up to the tale Keri Lake created with "Ricochet." This is one of the best reads of 2015 for me, one of the best reads ever. I love it and I love it hard. It's such an intelligent dark read. I knew I'd love the book but I was expecting it to be the usual dark read - lots of steam, kink and dominance that turns into more. But this, it just blew my mind. It had heart, soul and brought on so many emotions, I felt like I might drown in them. It is one of the most heart-breaking mind-f*****g books I've ever read and damn, I so didn't see most of the twists coming until they hit me in the face with the force of a wrecking ball. I'm emotionally exhausted and loving it. The prologue had me already hooked and glued to my Kindle. What followed was the classiest, most elaborate dark romance I've ever read. The violence that was portrayed wasn't there to add drama. It wasn't for show. And it definitely didn't depict violence and abuse as sexy or kinky. "Ricochet" showed violence for what it is - raw, painful and real. A force that destroys. It gave a look into the mind of psychopaths and into the mind of their victims. It showed what people go through and what they have to do to survive. It allowed a glimpse into the lives of those that are submerged in violence, poverty and crime. It shows what humans are capable of and it is frightening. But Keri Lake also shows what a difference love can make. How it can heal, put the broken pieces of a person back together. And sometimes you find love in the most unusual places. Everything about this story was perfect - except maybe one thing: It ended. It was extremely well-written with awe-inspiring eloquence and perfect metaphors. It was full of surprises, twists and turns that were impossible to foresee. There was depth and lots of emotions, but also absolutely hot, steamy sex. But the sex wasn't just there for the sake of having some smutty moments in the story. No, it fit perfectly - it brought another layer to the story and to the characters. Characters, who were so multidimensional, so real, that it felt like they exist. Both, Aubree and Nick won me over in their own way. Aubree for being strong and defiant, despite being a victim of horrors that are painful to imagine. She never allowed the flame inside of her to be extinguished, never truly gave up hope. And despite having encountered her fair share of human monsters, she still manages to see the good in people. Even in those people who can't recognize anything good in themselves. And Nick - I have no words to describe what his character did to me. My heart broke for and with him. His pain was palpable, his despair crushing my heart to dust. He was a truly tortured soul. A broken man. And yet, despite his thirst for revenge and his need to destroy the ones who have taken everything from him, he is a good man. A truly good man with a loving, caring heart. Together they are two broken people, defined by their past full of lies, pain, loss and violence, who might have more in common than they ever expected. 5+ this-story-rocked-my-world-so-five-stars-can-never-do-it-justice stars. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Verzweiflung, Hass, Gewalt und Liebe Von Kerstin_p Nick Ryder lebt in einer der gefährlichsten Städte der USA, in Detroit und verlor bei einem grausamen, unmenschlichen Verfall seine Frau und seinen kleinen Sohn. Er hat schwer verletzt überlebt, seine Seele hat aber schweren Schaden davon getragen. Gemeinsam mit einem Freund, Alec, der ein Genie in Computerprogrammierung ist und eine Art moderner Robin Hood, wollen sie Rache nehmen und den Verantwortlichen für das voranschreitende Banden- und Mobdilemma in Detroit zu Fall bringen - Niemand Anderen als Michael Culling, den Bürgermeister. Als Puzzleteil beschließen sie Aubrey Culling, die Ehefrau zu kidnappen, will vor allem Nick ihm dadurch einen kleinen Geschmack dessen vermitteln, wie es ist, jemand geliebten zu verlieren. Nun ist es aber alles anders, Aubrey nicht die oberflächliche Ehefrau, sondern vielmehr auch ein Opfer. Nick und Aubrey kommen sich näher, was ihn nicht davon abhält, an seinem und Alects klar gestecktem Plan festzuhalten. Es gibt Morde, es gibt unnötige Gewalt, viel Hass und einen perfiden Plan. Das ist teilweise nicht schön zu lesen, das ist schon harte Kost. Es ist auch keine klassische Liebesgeschichte, es geht vielmehr auch darum, wie Nick wieder zu sich selbst findet und Aubrey auch aufersteht, wie Phoenix aus der Asche. Und wie sie sich dann beide am Ende dadurch perfekt

ergnzen.Dass es am Ende in Bezug auf Nick und Alec einen Twist gab, den ich nie im Leben habe kommen sehen, machte das Ganze interessanter.Mein Fazit: es ist keine rosarote, Einhrner und Regenbogen darbietende Story, die Geschichte ist dunkel, gewaltig und Nick und Aubrey sind nicht alleine die Geschichte, aber das macht es fr mich lesenswerter. Ein komplexer Plot, dem ich, und das muss ich zugeben, in aller Planung, Namen und Verstrickungen manchmal nicht folgen konnte, da muss man schon genau dabei bleiben - dennoch, lesenswert.
