**Von Skye Jordan, Joan Swan : Ricochet (Renegades, Book 3)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ricochet (Renegades, Book 3):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Mitreissend!!! Von Tina G. Ricochet ist nach Reckless und Rebel das 3. Buch in der Serie und hat mir am Besten gefallen. Die beiden ersten Bücher fand ich gut, aber habe die jeweiligen Probleme nicht wirklich verstanden. Man sollte sie aber zum besseren Verständnis vorher gelesen haben. Nathan ist ein gebrochener Held mit einem schweren

Trauma, und gerade auf Zwangsjahresurlaub nach einem dramatischen Vorfall in Afghanistan. Rachel hat eine bittere Enttäuschung erlebt und sucht eigentlich nur nach einem One-Night-Stand ohne Verpflichtungen. Die Story ist spannend, lustig, traurig, berrührend - einfach mitreißend!!!

Kurzbeschreibung New York Times bestselling author Skye Jordan brings you another sexy addition to the best selling Renegades series...After a tragic incident in Afghanistan leaves Master Sergeant Nathan Ryker the only man standing in his tight-knit team, he spirals into an alcohol-and-sex induced escape. A call from his lifelong buddy pulls Ryker from the shadows with a request for help with his stunt company's latest blockbuster. If Ryker can survive the next three weeks of leave and get back to his remaining men, he might just be all right. But a sexy woman who can take his mind off his trauma is too hard to resist, and when he hooks up with Renegades' sultry, snarky office manager, his sanity takes a backseat to his first glimpse of a future he isn't sure he deserves. Still reeling from a bitter romantic betrayal, Rachel Hart wants nothing more than an uncomplicated hookup. So when the mysterious Nathan seduces her with a little dirty talk and one delicious kiss, Rachel drowns all her good sense in a Mandarin and soda and gives herself over to a night of sexual bliss. But her memories tarnish in the morning light when Rachel discovers his real identity and his link to Renegades. Her job and her friends are the only thing holding her life together, and she won't be ruined by one sultry night with this damaged and dangerously sexy man. All books in the Renegades series may be read as stand alone books.
