Von Christina Kingston : Ride for the Roses (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ride for the Roses (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Triple Crown WinnerVon Yetta LoydAs Renoir painted romance and light into his works of art, Christina Kingston has given

her readers a similar gift. Using romance, action and a dash of mystery she has woven a wonderful love story with "Ride for the Roses." The word electricity comes to mind when we meet Harry and Reggie, Christina Kingston's two dynamite main characters. Lord Taskford makes a suburb hero, devilishly handsome. A leader of men and a lover of women, he is a composite of Tom Cruise, Sean Connery and my husband. Together with his lady-love, the beautiful, intelligent, capable Regina Landry we are off and running in a delightful story we will read again and again. The hero and heroine are surrounded by a lovable assortment of supporting characters that are so well written they deserve to have their own stories told in future books. The sensitivity Christina Kingston uses dealing with newly orphaned children, in "Ride for the Roses" adds another layer of feeling to her story, helping to create a beautiful rich tapestry for her readers. Christina Kingston has also done her homework in the research department, cleverly giving us an accurate account of thoroughbred bloodlines and how they came into being. Christina Kingston, a very talented writer, has got it all. She writes with the clarity of Willa Cather, adds a dash of mystery, ala Agatha Christy, and action, and romance that is pure Christina Kingston. My crystal ball tells me that there is a bright new star on the literary horizon, and her name is Christina Kingston. Bravo Christina. END0 von 0 Kunden fanden die folgende Rezension hilfreich. In the Winner's CircleVon Yetta LoydAs Renoir painted romance and light into his works of art, Christina Kingston has given her readers a similar gift. A nice surprise...Von BrendaRegina Landry, a widow, finds herself heading home after her brother and his wife are killed in a coaching accident. Once there, she deals with a spiteful cousin who wants her brother's children's inheritance for his gambling debts and is bent on making sure she doesn't get custody of her niece and nephew. She also runs into a handsome man with a mysterious past by the name of Harry Wainwright, the Earl of Taskford. Regina finds herself a willing victim of the Earl's lust and desires. The Earl finds himself the victim of a man seeking fame he perversely thinks he deserves and feels it can only happen when the Earl dead. Desire isn't the only thing Regina and Harry share; their love of horses leads them to a race and a passionate bet. Readers can expect to find a wonderful regency full of mystery, humor and desire in "Ride for the Roses." Christina Kingston has given her readers a romance that will sweep them away to another place and time until they turn the last page. I was impressed with the secondary characters and enjoyed the humor of Harry Wainwright's pals. The out come of the story itself was a pleasant surprise.

KurzbeschreibungReginas struggles to save her niece and nephew from a scheming uncle while she tries to ward off the advances of rakish Hardhearted Harry Wainwright suddenly take a turn for the worst. Her task becomes nearly impossible when the handsome rake inherits not only the title of their deceased friend and the neighboring estate, but also the mortgage on the childrens home as well. Set against the exciting background of early Thoroughbred racing in Regency England, this story of murder, vicious kidnapping and thwarted love will keep you turning pages to the end.
