sexyVon AndreasAlexandra start of a very interesting series, unfortunately a bit short... you get sucked into it, revel in the hotness and then it's over. But it is not really over, it's only the beginning and Noah likes sweet torture, no wonder his series starts off like this!

KurzbeschreibungWhen a big scary biker shows up at Jimmy's Diner fifteen minutes before the end of my shiftcovered in tattoos and looking at me like I'm on the menuI should flip the open sign to closed. But I don't. I'm too used to doing what I've been told. Too used to working and struggling and surviving to do anything different. A closed sign wouldn't stop him anyway. He's here to collect a debt. And I'm the only one left to pay. RIDE ME HARD is just the beginning. The wildly erotic journey continues with BREAK ME IN. These are short, hot reads, sure to leave you panting.
