Von Christina Kingston : Ride the Wind Home (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ride the Wind Home (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sweet and passionateVon Detra FitchWhen the Duke of Smythington rescues Diana, a baron's very young bride and her

puppy from the unwelcome attentions of ruffians, it begins a fledgling love that will haunt the two for years to come. She keeps track of him until he disappears. A year later, he returns to England after spending a that time enslaved. At first, he disguises himself as a young seaman, going only by one of his names, David. By this time, Diana is a widow, but is not ready to be a wife again, especially considering how distasteful she has found all the men her father would choose to be. She flees to London, and meets David there. Diana fails to recognize him as the man she never stopped loving, but despite that, there is an attraction to this stranger. David remembers and loves Diana, but wants her to love him for himself, not his title, so does not reveal who he is. The problem is, Diana may be in love with "David", but knows he is beneath her in station, and she loves another man, the Duke of Smythington.***** With a combination of sweetness and passion, this charming story weaves a place in the reader's heart. Love's power is tenderly portrayed in a modern classic that will leave you feeling warm.0 von 0 Kunden fanden die folgende Rezension hilfreich. SweetVon Detra Fitch

KurzbeschreibungGreatly changed in appearance by a brutal captivity, Michael David Lawrence, Duke of Smythington returns home to England with a burning desire to wander through the once familiar countryside before again taking up the responsibilities of his Dukedom. Recently widowed Diana Huntley is possessed of a burning desire that sets her out into the countryside, too. She is determined to get to her beloved godmother, who will help her avoid being forced into a second loveless marriage. When David, in his disguise of a lowly seaman, rescues Diana from her first encounter with men who harass unescorted women, she agrees to allow him to accompany her on her journey. Its no wonder she feels safe with him, for hadnt he rescued her before when he was a portly Duke? And hadnt she fallen in love with him?KurzbeschreibungGreatly changed in appearance by a brutal captivity, Michael David Lawrence, Duke of Smythington returns home to England with a burning desire to wander through the once familiar countryside before again taking up the responsibilities of his Dukedom.
