Meeting Tam again, who we already know from the previous book in this series, will really open your eyes and your heart for this guy. For those who know him, no, that

was no typo. This book is just awesome, I would even say it's the best of this series. To see the "real" Tam, well, it's surprising and touching all the way. And of course there is another cute guy involved. But being related to Grayson, the boyfriend of Tam's ex, Konnor, doesn't make it that easy for Casen and Tam to be together. But where is a will there is a way, right? But will sweet Casen be strong enough to get to Tam? Will Tam be brave enough to let Casen in his heart and his life, after all this pain he has to fight with of his former relationships? See yourselves!! You just have to! This romantic and sweet roller coaster ride of feelings is a must read!

Kurzbeschreibung Tam's done everything he can to forget all about Konnor and their disastrous relationship. His new boyfriend, Giovanni, has helped with that. But six months into their relationship, he discovers that he's fallen into the same trap all over again. Beaten, broken and falling to pieces emotionally, Tam wonders if there's any point in going on. A pair of copper eyes and a gentle smile rescue him, in his darkest hour, giving him a ray of hope. But then he discovers that this beautiful boy is related to Grayson, the new boyfriend of his ex. Finally finding 'the one' in an unusually compassionate stranger, what possible future can they have, when Tam knows that Konnor will do all in his power to keep him far from the Dashwood boy?
