**Von Astrid Fox : Rika's Jewel (Sapphire)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rika's Jewel (Sapphire):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Rika's Jewel - A page turner operating on many levels. Von Ein Kunde "A cracking read. I enjoyed the morality themes that underpin the action/romance and I definitely liked the characters. Really nice descriptive stuff - the body painting scene between Pia and Rika was really beautifully done and the tone of the pyre scene with Rika and Lina was very

touching. A real page-turner."

Kurzbeschreibung Norway, 1066 AD. A group of female Viking warriors - Ingrid's Crew - have set sail to fight the Saxons in Britain, and Ingrid's young lover, Rika, is determined to follow them. But, urged on by dark-haired oarswoman, Pia, Rika penetrates a devious plan masterminded by Ingrid - one which involves a secret cult back home in Norway which is spreading through the whole of Northern Europe. The cult is strangely compelling, and its female devotees revel in performing erotic rites which re-enact the Nordic creation myth. In the midst of battles, sea journeys, scarification, fire-dancing and tattooing, Rika must make a choice: will she overcome Ingrid's psychic hold, or will she succumb to the intoxicating rituals of the cult?
