Von Lucy Maud Montgomery : Rilla of Ingleside (Anne of Green Gables series Book 8) (English Edition)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Rilla of Ingleside (Anne of Green Gables series Book 8) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 6 von 6 Kunden fanden die folgende Rezension hilfreich. Anne's family in the first world war Von Ein Kunde "Rilla of Ingleside" is the last novel in the famous Anne-series. The novel

is about Anne's youngest daughter Rilla and it differs very much from the previous volumes: first of all, Anne is not the main character - most of the action you see through Rilla's eyes. Although the novel takes place in beautiful PEI the atmosphere is not as sweet as in the former stories: The First World War begins and the Blythe family is involved like hundred thousands other Canadian families. Jem, Walter and Shirley leave Canada for war. The girls and Anne and Gilbert stay and their hearts are broken. During the four years of war the fourteen year old Rilla, spoiled and pretty vain, changes - life is not shallow and golden any more, but bitter and heartbreaking. "Rilla" is an exciting and sentimental book - a page-turner. You really want to know what will happen next, if the brothers return and so on. Unfortunately - sometimes the Blythe family is a too perfect to be true (and a little bit arrogant, I think). They are perfect patriots and take all challenges brave and high-headed. That is why I can't give five stars. But nevertheless there is still some ironic passages and these I love most: Rilla who has to beg pardon (even she hates the stupid and mean person) and she lispes when Ken, her Sir Galahad asks her to marry. This reminds me of my sweet old Anne of Green Gables, her clumsiness and her humour and her spirit! Must read!

I read it when I was in fourth grade, and even after three years, it's still great. Rilla Blythe, the protagonist, is someone I can really relate to, since she's a teenager. This book is a story basically about this family, the Blythe family, that's torn apart because of the World War One. It's really a great story, both cheerful and heartbreaking at the same time. I'm sure I've cried a lot when I read it for the first time. Also, it's not only a story about Rilla. Montgomery crafts a superb tale around all the characters in this book: she writes about all their feelings, doings, etc. This book rocks.

2 von 2 Kunden fanden die folgende Rezension hilfreich. A Great Book! Von Kristin By far, I feel that this is my favorite of the Anne of Green Gables series. I truly loved this book. Rilla Blythe is, at the beginning of the story, a vain and naive young girl, but by the end of the book she seemed to blossom into a sensitive, unselfish young woman. She is strong despite the cruelty of the war and the loss of her beloved brother, Walter. When Walter died, L.M. Montgomery painted the feelings of the characters so vividly that I shed a few tears along with his family and friends and with the one young woman who loved him, but was too shy to let him know...and lost him "somewhere in France." I had learned to grow fond of Walter, and I was very sad to see him go. All in all, this book is a very heartwarming, loving, classic book that I found very enjoyable. In the preceding 7 "Anne" books, the scenery and way of life on P.E.I seemed calm and perfect.....but in Rilla of Ingleside, L.M. Montgomery lets us know that perfection can be spoiled and our lives could be waken up with a jolt, although at times not a very pleasant one. For anyone who is a fan of L.M. Montgomery and of Anne Shirley, her family and friends, I would recommend reading this book. It is a treasure.
