Nicht schlecht, aber auch nicht super!Von CADie Geschichte handelt von einer jungen Frau, die von ihrer Mutter immer beleidigt wird, teilweise wie ein Sklave behandelt und als sie schwanger wird auch noch gezwungen ihr Baby abzugeben. Wie die junge Frau heranwchst, erwachsen wird und die richtige Liebe erkennt, ist sehr gut beschreiben. Interessant wre aber auch gewesen, warum die Mutter so ist, aber das wird "nur" auf den Alkohol geschoben. Da htte

ich gerne etwas mehr gelesen. Auch was mit dem ersten Baby passiert, bzw ob sie es wiederfindet, wird nicht beschrieben. Schade eigentlich, denn das Buch ist sonst sehr nett geschrieben.---The story deals with a young woman, which is almost a slave to her always drunk mother. Even as she becomes pregnant, she is forced by her mother to give the baby away. It is great to read, how the young woman starts to grow and become an adult and find real love, but I would have liked to know why the mother behaves like she does. There is also only the excuse, she is an alcoholic. Also to find out if the young woman find her first baby again, would have been nice.

KurzbeschreibungIm facing the kind of choice that most girls would envy: two men.One is a sexy, larger-than-life rockstar.The other is my best friend. The only guy who really understands me. Xander is a god on the stage.Hes also the father of my kids, but only on a technicality.He cant settle down. Hell never stay.But when Im with him, I can dream about him sweeping me off my feet, away from the pain and disappointment of my old life.Tennessee is my rock.He knows where I came from, and hes loved me through it all.But with him, Ill never be able to leave my painful past behind.How did a curvy, sharp-tongued single mom find herself in this situation?I still dont know. But I need to make a choice, before its too late.KurzbeschreibungIm facing the kind of choice that most girls would envy: two men.One is a sexy, larger-than-life rockstar.The other is my best friend.
