Kurzbeschreibung
Wardrobe malfunction doesn't begin to cover it. With a rip louder than the I dos, Hayley's hideous bile-yellow bridesmaid dress explodes. She's always had enviable curves, but nearly naked wasn't quite the look she'd been going for at her ex's wedding. She rushed from the altar under the best man's designer tux jacket. Hayley's expecting a blast of icy disapproval from sexy, sophisticated Niccol Rossi's usual reaction to anything she does. What she gets is a kiss that nearly melts what's left of her polyester nightmare gown. It's impossible on a million levels. Exuberant engineer Hayley and buttoned-up lawyer Nico have never seen eye to eye but skin to skin? Oh, mio. So when Nico shows up at her flat on Christmas Day to give her a fabulous gift himself Hayley's delighted to do the unwrapping. But it's just a holiday fling. By New Year's Day, she'll come back to her senses unless Nico's sensual skills tear away all her resolve.
