Troy and Ruby are back and they are hotter than before!Von CassandraTroy + Ruby + pool billiard = HOLY HOTNESS!!!!!!Before? Yep, if you haven't read His Risk To Take, what are you waiting for? You won't understand half of the story if you haven't read their first book.Troy and Ruby finally found their happily ever after. They are together, living together, playing and PLAYING together ;) and Ruby made something out of herself.On top of it,

someone else than just Troy believes in her. Mya not only invests into her business, but also becomes a business partner, a coworker and a friend. But as always in life, when things are going very well, a tornado is going to hit. So Troy and Ruby have to face their biggest challenge... Jim Elliott. Troy's bastard father. He wants one more game in exchange for information about her mother. As always Ruby can't resist the challenge, even when she knows something is off and things aren't what they used to be. In the end, this challenge ends in a life and death decision. Who do you love more? This second story in Troy and Ruby's life starts so smoking hot, your device might catch fire. They don't lack any of the passion and need and the lust that has already driven them back in His Risk To Take. Dirty dirty dirty talker Troy is back as well! You see their vulnerability, their fears are tangible, their emotions raw. You fall in love with them all over again. And then there's the anxiety and fear that grips you hard and you have to go on reading. You think Tessa Bailey leaves it at that? Hell no. She gives us an excerpt from Risking It All. It's about Bowen. Yes, that Bowen! And hell are we in for another treat!

Kurzbeschreibung After a life of pool hustling and living on the wrong side of the law, Ruby Elliott is living on the straight and narrow with sexy-as-all-hell NYPD detective, Troy Bennett. Now the only trouble Ruby has with the law is the naughty kind, pinned against the wall by Troy's strict and spectacularly hard body. Obeying his every command. Both of them losing themselves in a lust that borders on obsession... But then her father returns with an offer she can't refuse: one last hustle in exchange for information. Information she'd die to have. As the pieces and the players of the game reveal themselves, Troy feels the fine edges of his control slipping control he can't channel without hurting Ruby. The stakes are high, and the risk higher. Because losing this final game could cost more than Ruby's heart it might cost her life. Each book in the Crossing the Lines series is a standalone, full-length story that can be enjoyed out of order. **Series Order:** Prequel Novella: His Risk to Take Book .5: Riskier Business Book 1: Risking it All Book 2: Up In Smoke Book 3: Boiling Point Book 4: Raw Redemption **Kurzbeschreibung** After a life of pool hustling and living on the wrong side of the law, Ruby Elliott is living on the straight and narrow with sexy-as-all-hell NYPD detective, Troy Bennett.
