Tylor Owen Prinz (T.O.P.), an intimate friend of Mr. Benson?Von Ein KundeMr. Stone had probably just finished to read or re-read "Mr. Benson" (author: John Preston) when he wrote this book. The structure of the novel, the main events are similar -- with some interesting improvements. He should have written a little acknowledgment to his "master" J.

Preston at the beginning of the book. Then I would have given "Rituals" five stars.

Kurzbeschreibung Alone in the big city as he waits for his lover to join him, Jeff goes on-line to the Lambda Gate BBS to find a little virtual satisfaction. He soon finds himself drawn into a series of sexual rites that slowly transform him into the willing slave of a mysterious stranger. Gradually all vestiges of his former life are thrown off as he steps into a dangerous but thrilling world where he learns to live for his Master's touch.
