Von Jude Deveraux : River Lady (James River) before purchasing it in order to gage whether or not it would be worth my time, and all praised River Lady (James River):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A perfect ending!Von MandyThough you'll be sad to see the series end (we certainly could have used more books about

the lovely people on the banks of the James River!) the third and final book of the remarkable James River Trilogy is as well written and moving as the first two books of the series. Unfolding the Cinderella-like story of Leah and Wes is like opening a long awaited present. Their romance is intense and moving. You'll often find yourself rolling your eyes and gritting your teeth at the horrible way Wes flaunts his first intended in front of Leah. You'll even find yourself hoping that Leah will just give up on Wes because you'll feel he doesn't deserve her at all. Wes is by far the most stubborn of the three men in this series and becomes quite exasperating before he realizes what an idiot he's been. The scene where Nicole and Regan unveil Leah's hidden beauty is a classic and gives you more respect for the women you met in the previous two books. You'll feel the awe and happiness of Leah as she lives up to her potential. The mud fight that marks the turning point in Wes and Leah's relationship is one of the best scenes I've ever read. It's great to see how all the characters from the other books have turned out and the return to Sweetbriar at the end is a wonderful glimpse at that funny, loving town. All around it's a great book and a fitting end to the series. I never get tired of reading this series from beginning to end!

0 von 0 Kunden fanden die folgende Rezension hilfreich. I had to struggle through this book

Von Cyane I had to force myself to finish this book, thinking it would get better...after all, reading Knight in Shining Armor, The Conquest, and other great books by Jude Deveraux, I had such hope for this book. There was no love between Leah and Wesley. All Leah had was an infatuation with a stubborn, stupid jerk. She deserves so much better than Wesley. I found myself hoping that she would get together with Justin and leave the idiot Wesley with his darling Kimberly. About Wesley and his stupid need to have a woman who "needs" him, and is not as "independent" as Leah: all I can say is, "bullcrap". He impregnates Leah at the beginning of the book, thinking she is a whore, and then rejects her? Who "needs" a man more than a pregnant lady? Wesley's sense of honor is seriously impaired, and I found myself feeling bad for Leah. Poor Leah, obsessed with a dandy who only wants his precious Kimberly. Readers, do yourselves a favor and read other Deveraux novels, such as The Invitation, Sweet Liar (my favorite), or Knight in Shining Armor.

Von Ein Kunde This was the first of James Rver Trilogy I read. I hope the rest is a BIG improvement. The beginning was good, but Wesley turned into a Grade-A J E R K . Come on people!!! The guy dumps poor Leah FLAT, takes off for a year or so, and comes back to run around with an old flame. On top of that, he says that she's loose and to leave him alone because it hurts his old girlfriend. All Leah ever wanted was some one to love. And then Wesley wonders why Leah won't go for him? Come on dude, where were you for the first part of the book? This book was demeaning. The heroine gets a tough-luck sob-story and, try as I might, I couldn't get up any sympathy for Wesley. I trust the other books had characters that were a little more enjoyable.

Kurzbeschreibung Jude Deveraux portrays the power of a woman set on a bold course for true love -- and the glory of fulfilling a magnificent promise. River Lady Handsome plantation owner Wesley Stanford would barely recall the poverty-stricken young girl named Leah Simmons who adored him from afar years ago. Now, in an unexpected twist of fate -- a chance encounter on the Virginia riverfront -- he will become Leah's reluctant husband. Determined to forge a new life in untamed Kentucky, Wesley discovers that the bride he hopes to abandon is passionate, proud, and brave -- and may be the woman he cannot live without.
