Von Tara Janzen : River of Eden (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised River of Eden (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
SpannendVon NHEin spannendes Buch mit interessantem Plot. Liest man gerne.Die Handlung war nicht konstruiert, die Dialoge teilweise echt witzig.Ansonsten bekam man eine gute Vorstellung, wie es sich im as-Dschungel anfhlen

muss.

Kurzbeschreibung Romantic Suspense and Adventure on the River" One of THE most breathtaking and phenomenal adventure tales to come along in years! [Tara Janzen] has created an instant adventure classic...get your hands on a copy of this book today!" -- Jill M. Smith RT Book sWINNER - Best Romantic Suspense 2002 RTA LOST WORLD In the heart of the rain forest lies a prize Dr. Annie Parrish is willing to risk her life for, a legendary orchid that will put her name in the history books - if she can find it. With her resources dwindling and time running out, only one man comes cheap enough and is skilled enough to take her deeper into the savage reaches of the Great Green Hell known as the .A ROGUE SCIENTIST William Sanchez Travers has macaw feathers tied in his hair, a weeks worth of beard, and a shamans crystal hanging around his neck, convincing Annie that even the wildest stories shes heard about him dont tell the tale. A Harvard-trained botanist, the once world-renowned professor lost his reputation and some say his mind when he vanished from his camp on the Rio Cauaburi and disappeared for a year in the forest. Now hes back, in a seedy waterfront bar with a beer in his hand and a mulatto woman doing the lambada on his lap and against every ounce of common sense she has, Annies about to make him an offer. ONCE THEIR JOURNEY BEGINS, THERES NO TURNING BACK The last thing Will needs is a woman whose secrets run as deep and dark as his own. A renegade in her own right, the legendary Annie is a magnet for trouble and hes already got plenty. Hes out to destroy a devil named Corisco Vargas, before the twisted army major can unleash his nightmarish forces on the whole of the . Trapped between a shamans mystical visions and the violence of the real world, their journey quickly becomes one of desperate danger. But which force will rule their fate justice, vengeance, or a power as potent and seductive as the itself? RIVER OF EDEN originally published by Bantam Books 2002 From Library Journal It doesn't matter how weird the rumors are as to why defrocked, Harvard-trained ethnobotanist William Sanchez Travers has fallen from grace and into the mystical clutches of the rainforest. Dr. Annie Parrish needs him to take her in his boat up the Rio Negro to Santa Maria. She can't afford to be choosy, either: " Annie" doesn't have such a pristine reputation herself. But each of them has a dangerous goal, and this trip might very well turn out to be their last. With her smart, sassy dialog and witty style, reminiscent of Romancing the Stone, McReynolds shows that high adventure doesn't get much better than this.
