Von Dorothy Garlock : River of Tomorrow (Wabash Series Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised River of Tomorrow (Wabash Series Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A good ending to a fabulous trilogyVon Inna GoldenbergThe only problem I had with this book is that my favorite characters of the Wabash trilogy, Rain and Amy, were only briefly mentioned. I wanted to see them enjoying a wedded bliss and meet their two boys. Otherwise, this book featured a great love story between Mercy and Daniel. At first, I thought that they would be a pale version of Amy and Rain or Libby and Farr, but they and their story was unique. Mercy's character was similar to Libby's and Daniel's to Rain's. Mercy's sharp tongue and short temper were a delight, but her neediness wore me out. Daniel was dependable and decent, a great combination, but he was a bit boring at times. The discovery of Mercy's origins was a good plot twist and I grew to like her family. Mercy's and Daniel's shot-gun wedding is extremely funny and I re-read it several times. Eleanor is more lovable here than in "Dream River" and Gavin is still wonderful. I was a little bit disappointed that Ms. Garlock briefly described Tennessee's and Mike's romance without giving it an end. Although Mike became weaker here than in "Dream River", I enjoyed what little there was about his and Tenny's romance and hoped that Ms. Garlock would spend as much time on them as she did on Eleanor and Gavin in "Dream River". This novel lacks a satisfying ending, which would be Farr returning with George and Amy and Rain making it to the family reunion.

KurzbeschreibungThe bestselling author of Lonesome River and Dream River creates her most compelling love story to date. In this final novel of the Wabash Trilogy, a bold young woman must overcome the harsh reality of the frontier before she can dare to love.KurzbeschreibungThe bestselling author of Lonesome River and Dream River creates her most compelling love story to date. In this final novel of the Wabash Trilogy, a bold young woman must overcome the harsh reality of the frontier before she can dare to love.SynopsisAbandoned in the woods and then raised by the Quill family along with her foster brother Daniel, Mercy now longs for him to be her husband.
