Von Merline Lovelace : River Rising (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised River Rising (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A romantic military intrigueVon Ein KundeAt Maxwell Air Force Base, Alabama, a fellow student jogging in the rain spotted the murdered body of Lieutenant Colonel Smith. Ex-convict and resident at the nearby prison, Ryan McMann,

a former hockey great, testifies that he saw the vehicle of the deceased's spouse Michael Smith at the scene. Since Michael is also an officer, the military assigns Major Carly Samuels of the Office of the Commandant Judge Advocate to conduct an Article 32 investigation. As she interviews the witnesses, Carly finds Ryan is distrustful of lawyers, having concluded they all are lowlifes. She feels he knows more than he's telling. For that matter she feels he knows more than the civilian police investigating the murder. However, she observes and hears about little acts of compassion performed by Ryan. As the duo falls in love, her investigation takes a twist that leaves her wondering if she can trust Ryan since he held back information on her inquiry. When it comes to military romances, no one provides an insiders look within a warm relationship novel than former Air Force Colonel Merline Lovelace. Her latest novel, RIVER RISING, is a clever examination of the military legal system that has some unique rules not seen on the civilian counterpart. The action-packed story line moves faster than a flooding river. The changing relationship between the lead protagonists turns this tale into the wonderful winner that fans of the sub-genre expect from Ms. Lovelace, who soars once again. Harriet Klausner 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good romantic suspense Von Ein Kunde When Major Carly Samuels is called on to investigate the murder of a high-profile female officer, it is assumed that the husband was the killer. Going by the eyewitnesses accounts, Carly fully assumed that ex-hockey player, and fallen hero, Ryan McMann will comply. When he doesn't, she figures she is hiding something. She is right. Convicted felon Ryan McMann is out on probation. All he wants his to finish his two months and get out of Alabama. The thought of a murder investigation doesn't sit well with him, but the thought of pretty Major Samuels is a different story. Together Carly and Ryan must find the murderer and fight their growing attraction to each other. This is the second book I've read by Merline Lovelace and I thought it was very good. 0 von 0 Kunden fanden die folgende Rezension hilfreich. An enjoyable read Von Ein Kunde "River Rising" isn't the most powerful of Merline Lovelace's recent works; it is an enjoyable read. The military setting is useful as a back drop to the relationship between Carly and Ryan. Of the two main characters, Ryan is the more compelling and finely drawn. As a former hockey star who is at the end of his prison sentence, his presence in the story brings out the passion in everyone. Carly seems the usual female JAG officer, working towards promotion, but getting sidelined by the electricity between she and Ryan. While the story is rather weak, even this makes the book an easy, enjoyable read. After one taste of Ms. Lovelace any reader will be searching for her past books and looking eagerly for her future selections.

Kurzbeschreibung River Rising She was an attorney with a shining future. He was a star witness with a dark past. Nothing could prepare them for the day their destinies would cross and their lives would change forever. Major Carly Samuels, a top JAG attorney, leapt at the chance to investigate the murder of a high-profile female officer. The initial police report cited Ryan McMann, a fallen hero with ice-blue eyes and a chilling past, as a key witness to the murder. But as the investigation proceeds, it seems Ryan was a little closer to the crime than Carly wanted to believe. Now, as a web of torrid secrets comes to light, the line between witness and suspect starts to blur -- and the boundary between trust and betrayal is about to be crossed. Praise for this author and her work: Her novels "sizzle with passion for love and life." Nora Roberts. "Merline Lovelace's stories are filled with unforgettable characters, scintillating romance and...emotional depth. Each new book is an adventure." Debbie Macomber Merline Lovelace is... "the best writer of military romantic suspense today." I Love A Mystery "Lovelace has earned a place along superstars such as Nora Roberts and Sandra Brown." Affaire de Coeur "Provides all the tension you have come to expect from the amazing Ms. Lovelace." Romantic Times Kurzbeschreibung River Rising She was an attorney with a shining future.
