Von Charlotte Abel : River's Recruit (New Adult Shifter Romance: Book One) (The Sanctuary Series 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised River's Recruit (New Adult Shifter Romance: Book One) (The Sanctuary Series 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. nice fantasy storyVon Hoener, BirgitNot a bad story at all, easy to read, although nothing exceptional. There is a nice plot,

and the characters are fairly well developed.

Kurzbeschreibung River believes all outsiders are disease infested idiots and a threat to her secret society of wolf shifters. The laws that keep her people safe are absolute. No outsider can ever know of their existence. But when a handsome stranger risks his life to save River from a mountain lion, she has two choices recruit him into her society as a servant, or kill him. All Jonathan wanted was a few weeks of solitude, backpacking in Colorado, to help him deal with the aftermath of his service in Afghanistan. When he learns River plans to keep him with her forever, he starts planning his escape. What neither of them plan on is falling in love. Best Selling Author introduces a 'new adult' paranormal romance. She chased him to Boulder, Colorado and finally convinced him they were meant to be together forever. They've raised three kids, two ferrets, three dogs and countless hamsters -- and are still happily married. She's in love with "real" life and paranormal romance. When she's not reading or writing, Charlotte enjoys hiking, bicycling and primitive archery (although she's never shot at anything other than a target!) The final book of The Channie Series, "Finding Valor," should be available by Christmas. The Sanctuary Series, a romantic shifter series set in the remote Sawatch Mountain wilderness of Colorado. The first book, "River's Recruit," is available now.
