Von Laura Van Wormer : Riverside Drive before purchasing it in order to gage whether or not it would be worth my time, and all praised Riverside Drive:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Guilty Pleasures Von Ein Kunde I read this book in two nights. It's like eating Cheetos rather than having salmon or going to see The Matrix instead of Election. You know it's going to be a stupid thing to do but you're going to end up loving it anyway! Interesting characters and great setting. I mean, who DOESN'T love Riverside Drive? It's a wonderful community if you can afford it. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Heartwarming Story About

People You Wish You Knew Von Ein Kunde A bit of a fairy-tale optimism flavors this book but to me it was respite from the Big Bad World. Despite its Pollyanna undercurrents, the characters are 3-dimensionally portrayed albeit quaint creatures that I wish would move into my neighborhood.
