Von P.S. Power : Road Blocks (Other Places Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Road Blocks (Other Places Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. gut - aber der erste war besserVon backapfelNachdem ich Shortcuts verschlungen habe, war klar, dass ich auch den zweiten Band lesen werde. Leider war ich einigermaen enttuscht - die Macken der Charaktere werden weniger klar gezeichnet und gerade die haben mir beim ersten Band am besten gefallen. Die story an sich ist solide und ich werde auch einen dritten Band auf meinen Kindle laden, vielleicht ist road blocks ja nur eine Zwischenstory

Kurzbeschreibung Zack Hartley is just a man. He has a simple job, working in a candle store in a mostly empty mall, a roommate to help make the ends meet, and the ability to walk magical lines that take him places instantly. He also has a split personality that thinks he might be a homosexual, and a few pesky demons hanging around far too much for his liking. So when there's a sudden attack at a different mall, Zack is asked to help sort things out, which is where the fun really begins. Because it seems that some people have taken it into their heads to think that he, the humble candle man, is a demon too. In fact, some of them are banking on it. That means no end of trouble, if he can't get it sorted out fast. Possibly even a war. No one sane wants that. Even Zack doesn't, and he hasn't claimed to be in his right mind in a long, long time.
