**Von Natalie Ann : Road to Redemption (Road Series Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Road to Redemption (Road Series Book 2) (English Edition):

Kurzbeschreibung Each book can be read as a stand alone or in order of the series. Relocating to Albany, New York, after the death of his wife, Dr. Jack Reynolds has decided he is better off alone. No worries, no headaches, no stress. The last thing he needs is the complication of a tiny redheaded nurse who has her sights set on making him see that life isn't meant to be lonely. Cori Summers thinks life is a bowl of cherries covered in chocolate, that is. She's fast moving, witty and the life of the party. Why can't everyone smile throughout the day, just like her? Life is easier that way. No worries, no headaches and no stress. Yes, opposites really do attract, but is Cori's big personality enough to overcome all the obstacles that Jack is determined to put in her way? Mature content, not intended for under 18 years of age. Each book can be read as a stand alone, or in the following order. The Road Series Road to Recovery - Brooke Malone and Lucas Mathews Road to Redemption - Cori Summers and Jack Reynolds Road to Reality - Mac Malone and Beth Campbell Road to Reason - Ryan Mathews and Kaitlin Harper The All Series All or Nothing - Ben Harper and Presley James All of Me - Phil Harper and Sophia Mansfield All the Way - Alec Harper and Brynn Palmer All I Want - Sean Callahan and Carly Springfield All My Love - Drew Palmer and Jordyn Montgomery All About You - Finn Abraham and Olivia Hartman Lake Placid Series Second Chance - Nick Buchanan and Mallory Denning Give Me A Chance - Max Hamilton and Quinn Baker
