copy! Von Mario Nowak A lot of typos and whole parts towards the end of some chapters completely missing. Don't buy the kindle version!

Hardboiled-Krimi Von Michael Matzer Nach dem etwas laschen und Glamour-orientierten "Fool Me Twice" besinnt sich Michael Brandman in "Damned If You Do" wieder auf die Tugenden des Hardboiled-Krimis: schnelle, harte, listige Handlung auf der einen Seite, wenn es um die Aufklärung eines Mordes geht - und mitfhlende Action auf der anderen Seite, wenn es um Donnie Jacobs' Rettung und um den Kampf gegen Philip Connell geht.

Kurzbeschreibung The woman on the bed was barely out of her teens. She wasn't exactly beautiful, but she'd tried to make the most of her looks. Now, defiled and alone in a seedy beachfront motel, she was dead. And Paradise Police Chief Jesse Stone doesn't know her name. Whoever she is, she didn't deserve to die. State police captain Healy's resources turn up nothing helpful, and Gino Fish, who knows his way around dark places, is characteristically uncooperative. Unwilling to take no for an answer, Jesse continues digging his own way, only to find himself caught in the crosshairs of a bitter turf war between two ruthless pimps, Thomas Walker and Fat Boy Nelly, and a beautiful woman to whom they both lay claim. Jesse tries for a diplomatic solution, but more blood will be spilt before it's over.
Pressestimmen Praise for Robert B. Parker Not for nothing is Parker regarded as the reigning champion of the American tough-guy detective novel, heavyweight division. Entertainment Weekly For the Jesse Stone novels If Spencer is the invincible knight, the timeless hero of American detective fiction, then Jesse Stone is the flawed hero of the moment. The New York Times Book And for Michael Brandman [Brandman] is just the writer to carry Jesse into the future. No one understands what makes Bob Parkers Jesse Stone tick better than Michael Brandman. Tom Selleck, star of the Jesse Stone TV movies "Part of a grand tradition..." USA Today I would personally like to thank Robert B. Parker for creating an admirable character like Jesse Stone and Michael Brandman for continuing his adventures and helping to keep Parkers memory very much alive. BookReporter.com Will help meet insatiable demand for all things Parker. Library Journal Brandman nails Parkers compressionist prose. Booklist "Brandman perfectly reproduces Parkers style in [an] impressive continuation of his series featuring Jesse Stone." Publishers Weekly
