Von Barbara Stewart : Rock and Roll Never Forgets (The Rock and Roll Trilogy Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rock and Roll Never Forgets (The Rock and Roll Trilogy Book 1) (English Edition):

finished with it. It's still in my mind, it's a book to think longer about. Now I hope the 2nd book will be as good and everything will work ok..... I don't know when the 3rd one will come.

Kurzbeschreibung Beth Morgan is a young woman who's just been given the once in a lifetime opportunity to meet her favorite band, Traveler. That meeting leads to a chance encounter with her idol, the band's lead singer, Andy Stevens. What follows is a love story. A journey through the peaks, valleys and trials of a relationship lived in the public eye; the miles they traveled together through his career in the music business, and her struggles to stay obscure in a world she never really settled into comfortably. In the end it's all about love, fate, and what the heart can't hold

She resides in the Jacksonville, FL area with her husband Gene and their fat cat, Kooky. She has worked in the electronics industry, and most recently in health-care. Barbara is a volunteer for the American Cancer Society, winning the Hope Award for volunteerism in 2009. Her favorite musicians and songs brought on the rock and roll fantasies in her work. Sprinkled through her stories are humor and sadness based on experiences shared with family and friends. Those who have read her stories, and know her, tell her they 'see and feel' her experiences with them in the words on the pages. Sweet Surrender (February 2012) was her first published book, and came from a challenge for National Novel Writing Month (NaNoWriMo ~ November 2011).

Rock and Roll Never Forgets, her next/first book, came to life in 2003 when Andy woke her in the middle of the night and said I've got a story you need to write! Book Two of the Rock and Roll Trilogy When I Look to the Sky- will be ready for release in the spring of 2013. To share your thoughts and receive updates, visit her at:
