Von Jennifer Chance : Rock It (Rule Breakers) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rock It (Rule Breakers):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. SEXY ROCK-STAR-ROMANCEVon Bianca @BJSBBLacey is 22 years old. She's been in love/lust with pop/rock-star Dante Falcone forever!But he doesn't know that of course.But now her chance is finally here. She's working for the agency that represents Dante from now on and kind of accidentally she ends up being his 'manager' for the next two weeks Dante immediately sees something in Lacey when they meet for the first time. He can feel that she sees the real him. Not the person all his fans see.And she does. She's had 8 years of collecting everything about him. Every last scrap of information.Which is a tiny bit stalkerish Then there's the intense attraction they both feel. OK, Lacey always knew that he was SEXY HOT - but now that he's in the same room with her it's - WHOA !!Instant mental Orgasms

Dante hasn't been real happy with his life for a while now - and he's only 24!! He's been in this business since he was 14 years old!! Now he's looking for more - a different kind of music, a different kind of girl - not those groupies he could have every second of every day. He just wants more - he wants his life to be different. Mid-life-crisis at age 24??? Enter Lacey She brings all kinds of complications into his life. But Dante wants to see where this thing with Lacey could go. And Lacey has to decide if this could be the real thing - or if it's just this silly left-over teenie-infatuation with a rock star.... And then there's her beloved job on the line too.... what will she do? What will happen??? I'M NOT TELLING YOU THAT OF COURSE... I don't want to spoil your reading pleasure

I REALLY LOVED THE BOOK!!! After finishing my review I read a few reviews - and I had to add this - I don't know why people are so critical about this book - yes there were some things that were a bit weird - but it was a great story!!!! o.OBUT ... maybe it's just me... Give a Navy SEAL or a Rock Star - and I'm TOTALLY FANGIRLING But I really don't think this book was bad???!! I really loved it. I loved Dante - what's not to love about a sexy, sweet, RockStar without any of the horrible RockStar issues The story was the kind of fairy tale story every fan-girl dreams about!! You're a fan of this guy and you work your way up to finally get close to him and then he falls in love with you??? Even though, or maybe because you're his biggest fan. You understand him - the real him! Ugh - I sooo want to be Lacey!!! I really loved the sexiness of the book. We don't have SEX all the time - totally unlike a Rockstar But they're really trying to start slow - but still very sexy!!! I would've loved a bit more SEX ;))) The only things that bothered me a bit... first - this 'thing' they do towards the 70% mark of the book - I totally didn't understand what they were doing??? I got it then finally AFTER the fact - but while they were explaining it - to me - the reader - I didn't understand where they were going with it :(Might have been a bit too complicated for me... Then the thing that I wish was different... I wish the book had another 100 pages! It feels like the editor made Jennifer take out sooo many details. This could have been an epic Rock-Star Erotic Romance - but there are just too many things missing. That's how it felt to me at least. I wanted to know soooo much more about Dante Lacey's life - their history - their future - their feelings. It's kind of like this insta-love thing that happens here.... it's all a bit quick But that doesn't change the fact that I loved this book!!!! If you like sexy New Adult romances with a HOT Rock-Star ---- GO AND BUY THE BOOK I'm really looking forward to reading the other books in the series - the stories about Lacey's roommates! Anna's story will be first

Kurzbeschreibung Jennifer Chances Rock It is perfect for those of us who like our books the way we like our rockers: smart, sexy, sweet, and a damn good time! Lexi Ryan, New York Times and USA Today bestselling author of Unbreak Me Jennifer Chance unleashes her hot new series with the tale of a smoldering rock star and the fangirl who catches his eye and finds herself living out her wildest dreams. Lacey Dawes is a total pro at the talent agency where she works, and it doesn't hurt that IMO Worldwide Media represents Dante Falcone. The rock god has starred in her fantasies since she was sixteen and remains her secret crush to this day. So when Dante picks her to be the interim manager on his Dream It tour, Lacey can't believe her luck. Handling Dante is sure to be the most exquisite, spine-tingling, nerve-wracking mix of business and pleasure ever. Although Dante is grateful for the adoring fans who scream for one more of his full-throttle, soul-searing songs, being surrounded by a cadre of corporate types backstage is wearing thin. Then Lacey shows up. Yeah, she's organized, smart, quick to get him what he wants before he knows he wants it but Dante senses there's something else going on with sweet, sexy Lacey. One kiss tells him what that something might be . . . and makes him hungry for more. Praise for Rock It An amazing cast of characters, strong writing, a plot that most women have dreamed of at some time in their life, and all the sexiness that comes with a rock and roll hero make Rock It by Jennifer Chance a chart topper worthy of a Grammy! Guilty Pleasures Book s Rock It totally delivered. . . . The chemistry between Dante and Lacey is totally scrumptious!
