Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 1 Kunden fanden die folgende Rezension hilfreich. The worst... Von Leseratte Really really bad storytelling. I even erased this from my kindle so I would not accidentally

stumble across this ebook again some day. To be clear: it was not the subject matter that put me off but the bad writing. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Kurweilig, sexy, rockig... Von Bellabr... kann man lesen und hat mich besser unterhalten, als mancher Teil von Shades of Grey. Ein bisschen Herzschmerz ist auch drin. Und die Englischkenntnisse frischt man dabei auch noch auf, TOP :-)
