Sexy Rock-Star-Romance! Von Bianca @BJsBBKate is a very successful designer. She's specialized in LEATHER. She just loves that material, she's a genius when it comes to designing leather clothes. But she has rules. No designing for rock-stars is number two. But a leather emergency has her helicoptering to Staples Center to fix the pants of SYON - the lead singer of the famous band Toxin. Instant spark-flying occurs. But Kate doesn't want anything to fly. She's happy being single and doing her leather job. But she just can't resist the charms of this hot rockstar. And when he hires her to go on tour with them, to be the 'seamstress of the band'....she should hesitate...but she accepts, but of course only because it's good for business ;))) Lots of sexy things happen on that tour...But of course it's not an instant Happy Ever After. Syon is a rock-star after all....and having a steady girlfriend is not good for business. WHAT WILL HAPPEN WITH KATE SYON? WILL THERE BE A HAPPY EVER AFTER FOR THEM? OR WILL THERE BE A HORRIBLE CLIFFHANGER? Nope - I'm not telling you anything!!! \_\_\_\_\_ I'm the biggest Rockstar-Romance-Fangirl EVER! And this rockstar was really grrrr - hot! We're on tour most of the time... that means the whole band is in this book a lot. I can't wait to read the books of Ramsey Taz Drake - they all have a lot to tell. This story was soooo sexy and hot...phew. Lots of problems with the tour manager make Kate's life a bit hard. But she tries to get through all the bad, to get the guy in the end. But can you ever really get the rockstar?? Let's hope so! ROCK ME TWO TIMES was a really sexy and cute #RockstarRomance! You will sooo want your own Syon Ramsey sandwich after reading it! Can't wait to read the second book!

Kurzbeschreibung We'll use you We'll abuse you We'll leave you begging for more Toxin: Rock stars on and off the stage Syon Braden writes and plays the most extreme-and profitable-music from the depths of his shredded heart. He's got a double-platinum record, adoring fans, and success for his band Toxin-but it's what he can't have that he craves. Custom leather designer Kate Napier has her sights set on success, and that means keeping irresistible rock stars like Syon out of her bed. The chance to tour with the band and provide them with a fantastic custom wardrobe is too major an opportunity to turn down. But immersion in the dark, wild world of Toxin means Kate's about to get rocked...and she'll never be the same.
