...amazingly sexy moving Rockstar Cowboy Mnage Romance!!!Von Bianca @BJsBB4.9 starsThe story begins nine years ago.Breezy is 14 years old and lives in a trailer with her older brother and her mostly drunk dad.She lives for

summer Sundays, when she can hang out with the McLendon family at their creek. She's been half in love with their 17-year old twins Connor and Carson for forever. But trailer trash like her would never stand a chance against beautiful Charlotte.... Then one day something happens that destroys even the smallest chance she might have had with them... Now, nine years later, Connor and Carson are huge Country-Music-Stars. But Carson has still not gotten over what happened back then. He's hiding his guilt behind girls, drugs and alcohol. Connor feels like he's losing his brother more and more with each day that passes. Then the boys get called back home... Also back home is Breezy.... Will this be a new chance for them all??? Or is there still too much hatred and anger left? _____ This was a really great story! I hadn't read anything about this family before - and you don't really have to. But I might go back and do it now! I just love mnage romances I was already crying after only a few pages... But next to the crying parts the book has LOTS of really sexy parts too. And funny and adorable and frustrating parts. It was the perfect mnage romance! I will definitely read everything that comes after this book! If you love mnage romances and cowboys and rockstars... this is SO the book for you!!! It almost doesn't get better than this - this book was like a genre lottery win for me

Kurzbeschreibung The McLendon Twins are all grown up and - oh my gawd - are they ever a double handful! The perfect combination of reckless and charming, the golden boys of Grassland have become country music gods. Carson is the life of the party. He's ready to call it quits when their beloved Papa falls ill and they are called home to their family ranch on Falcon Ridge; a place that holds both their hearts and the painful secret that changed their lives forever. Occupational Therapist Breezy Youngblood once loved Connor and Carson to the moon and back. She was a mere girl when her world was shattered and she was forced to leave Grassland with only her broken heart. When she's asked to return to help the McLendon patriarch recover, she's forced to face the tragedy that destroyed her dreams of ever calling Falcon Ridge her home.
