Von Collins Jackie : Rock Star (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rock Star (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Read Beneath The Lines - A Very Significant BookVon Ein KundeFew books have left an impression on me the way "Rock Star" has. On the surface it is light and funny, and romantic and sad, and viscious and sweet. Nobody can write dialog the way Jackie can. She can get into the heads of both males and females with high precision. This is a unique talent. She loves the people she writes about, and knows them very well. She knows the parties, and London, and Los Angeles, and France, and the Carribean, and any other place you can possibly imagine. She does not emulate or praise her characters because beneath the affluence and fame, they are like swiss cheese, and in the end, she almost feels sorry for them. The difference between her and Fitzgerald, who also wrote about his affluent circle, is that Ms. Collins

can write poignant dialog. The latter can not. A silly ending took the fifth star away. The epilogue however is very cute.0 von 0 Kunden fanden die folgende Rezension hilfreich. ONE OF THE BEST BOOKS EVER WRITTENVon Ein KundeThis was the first book I ever read from Jackie Collins and it is the best. The only thing I had a problem with was the ending: It should have been better. Okay do they end up with one another or not. Otherwise a must read.

KurzbeschreibungFEEL THE HUNGER. THE BEAT. THE HEAT. THE SEX AND DRUGS.Rock Star International bestselling sensation Jackie Collins the queen of glamour fiction (San Antonio Express-News) captures the raw electric thrill of life in the spotlight in this pulse-pounding novel. Three talented ambitious dreamers have struggled for super-stardom and lived hard and fast in a mind-bending whirl of parties drugs and sex. Now their fates collide at the plush Los Angeles estate of a powerful music industry magnate where one mans secret vendetta will trap them in its sudden murderous heatPressestimmenVogue If you pick up this book, you won't put it down....Collins fans will gobble up Rock Star.Los Angeles Herald-Examiner A genuine page-turner.WerbetextA B-format reissue of this flashy trashy classic bonkbuster from Jackie Collins!!! Ai caramba!!!
