Von Bookworm "Sofia" Jasinda, I can't put in words what you do to me with your books!!! This was soooo hot, every view minutes I had to wipe away the steam that was coming from my e-reader (and maybe a little bit of me!)

because I couldn't see the words anymore!!I couldn't put it down and was shocked when I realised I got to the end.Please, please, please don't let us wait to long for the next book....

Kurzbeschreibung***Rock Stars Do It is a Big Girls spinoff-sequel series. It is best to read this after Big Girls Do It books 1-5 to avoid major spoilers.***Falling in love with your best friend's ex sucks. It isn't fair to want the one thing you can't have. But the kind of soul-deep need Chase and Jamie felt for each other wasn't concerned with whether it was a good idea to be together or not. Should they fight for a relationship that came with a tangled web of broken hearts and complications, or should they just let it go, despite knowing that forgetting each other would prove painful and impossible?This erotic romance novella is book 2 in the Rock Stars Do It series.Kurzbeschreibung***Rock Stars Do It is a Big Girls spinoff-sequel series.
