Von Pamela Nissen : Rocky Mountain Match (Love Inspired Historical) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rocky Mountain Match (Love Inspired Historical):

Tender romanceVon LaylaReaderBoulder, Colorado in 1890Joseph Drake is a tall, handsome man and very talented carpenter. An accident leaves him blind and in total confusion and despair. He refuses to believe that it can be a permanent disability and hates the vulnerability and darkness of his new world.His brother Ben is a doctor and he sends for Katie Ellickson, who is qualified to train the blind. Joseph reluctantly agrees, but feels humiliated and frustrated.Katie grasps the opportunity to leave home and live with her uncle and aunt in the Rockies in order to escape a very evil person in her home town. This situation and her justified fear add tension to the story.Joseph and Katie are strongly attracted to each other, but each one feels unworthy of the other. There is great tenderness in this

romance with humorous and also very sad moments. The secondary characters are well-developed and add to the story, especially Joseph's family and his huge dog, Boone. There are many kinds of loss and choices in dealing with hard blows. This is 'Christian literature', but without preaching. Joseph feels abandoned and questions God, but it is always an integral part of the story and not centre stage. (288 pages) I believe that there will be another book in the series - Rocky Mountain Redemption - and I look forward to reading it.

Kurzbeschreibung When blindness strikes carpenter Joseph Drake, the prospect of a lifetime of darkness fills him with despair. But then his brother hires Katie Ellickson. The strong-willed, confident teacher knows what it's like to be outcast, alone and she won't give up on Joseph, even when he's ready to give up on himself. He thinks blindness is his most difficult obstacle, until he finds a bigger challenge trying to reach Katie's heart. Will she let him? Katie has secrets that she's carried with her to the Rocky Mountains. And there's a darkness of her own in her past, which she can't escape for long.
