**Von Vivian Arend : Rocky Ride (Thompson Sons Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rocky Ride (Thompson Sons Book 2) (English Edition):

Great start for a seriesVon CoffeeAndBooks\*\*\* I have received an ARC via NetGalley \*\*\*This was my first book by Vivian Arend and I've to say, that I love her writing style! Very funny, engaging and also smoking hot!Plus, as always, I do love a strong heroine~For a novella, it had the right amount of romance, smut, drama and frustration. Yes, it did

include some typical romance novel clichs, like the "I'm not good enough for you" hero and the breakup with the heroine but it was written in an entertaining way and it didn't felt rushed, like so many other novels do. The characters were well crafted for a novella and I wished, that this story was longer... but there are more books on the way, so I'll make sure to follow up with Thompson Sons :)

Kurzbeschreibung From New York Times bestselling author Vivian Arend-----Hes hotter than hotBad boy Mitch Thompson finally convinced straight-laced Constable Anna Coleman to take him for a ride. It only took a fewokay, a lot of speeding tickets and some smooth talkingbut now that Annas loosened off her stiff RCMP uniform, its not nearly enough for Mitch. Their secret escapades are steamy and mind-blowing, but he wants more than her bodyhe wants her heart. Shes afraid of getting burnedAnna doesnt know how far she can safely go before she crosses the line. Sinfully sexy Mitch may have lured her wild side out to play, but giving in to more and more illicit desires could endanger her very civilized career on the police force. There has to be a point between yearning and obsession. Or is there? Will giving in mean giving up everything shes worked for, or will they gain everything theyve ever wanted?

When challenged to write a book, she gave it a shot, and discovered creating worlds to play in was nearly as addictive as traveling the real one. Now a New York Times and USA Today bestselling author of both contemporary and paranormal stories, Vivian continues to explore, write and otherwise keep herself well entertained.
