**Von Patricia A. Rasey : Rogue (Sons of Sangue Book 4) (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rogue (Sons of Sangue Book 4) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. this book ia rollercoaster of emotions, a keeper Von Birgit Wahl This book took me in and left me breathless. So much emotions, so deep charaters, a well thought up plot with lots of twists and surprises. I can't wait for the next book in this series being written and released. I was crying, laughing, gave some characters the finger. I saw the whole story in

my mind eye while reading as fast as I could to see what occurs on the next pages. This is my honest review. I'm a longtime fan of Ms Rasey's writing and the Sons of Sanguie have a special place in my heart. I'm normally not reading MC series/books but I have 2 series I have on my pre-order list and those are the Sons of Sanguie by Ms Rasey and the Feral Breeds by Ellis Leigh. I gave this book a voting, it is a keeper and re-read worthy alone and in a Son of Sanguie reading spree.

KurzbeschreibungROGUESons of Sanguie: Book 4Vampire MC member Anton Rogue Balan, aka Blondy, has turned his back on the powerful Sons of Sanguie, betraying the brotherhood he once considered his family. She cant deny her desire for Anton, even though she suspects hes hiding a secret even darker than his affiliation with an outlaw MC. As for Rogue, no matter how much he tries to refuse the scorching need he has for Kimber as much as his duty depends on it hes powerless to deny his rising feelings for her.
