KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I really liked this oneVon AriIt's captivating and interesting and the characters are well thought out.They have a good chemistry and the plot doesn't lack.It's mainly about sex in the middle, but not just, and their work is still a bit part of

the story, which I really like. Ends in a sort of cliffhanger of course, but that's ok. Might get the next book.
