KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. enjoyed readingVon Volker Barththe short story is written really enjoyable from the author. what i don` t like is, that in all the stories there are endings like in fairy tales"and they lived together happy till they died???" in the authors fantasy - like the most other authors to-, there allways has to be a big black man with a really big cock. is this in his mind all american women think of? why in his fantasy the betrayed man in the end is happy with his cheating wife? wouldn't it

be more believable the husband would have driven away when the policofficer told him he could and would divorce his whore? are there in the fantasy really so many men who would like to be humiliated?
