Von Christina Thacher : Roman and Juliet: An Erotic Romance (The Aerie Doms Book 4) (English Edition)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Roman and Juliet: An Erotic Romance (The Aerie Doms Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A bit far fetched.Von CustomerThe book plays in the SBMD milieu. Check. The hero isn't into it. Check. The heroine is trying to fit in, but only like mild rough play. Check. And then it dies. Totally unrealistic end. Rather sad how the whole idea,

well, just ... died.

KurzbeschreibungFor one night, Colorado rancher Roman Grainger is an honored guest at The Aerie, Xavier Greer's private BDSM club. Roman's not sure the whips-and-chains stuff is for him, though, and he's about to leave when he sees Juliet Howard, half-naked, kneeling at his feet. Juliet Howard, a regular sub at The Aerie, figures she's won the sub lottery when she looks up at a real cowboy, complete with the boots and a Stetson in one hand. But when they get to The Medieval Room, she realizes that Roman's not exactly an experienced Dom. Still, he's the sexiest man she's seen for a long time. And since the regular Aerie Doms are either paired up with their own subs or nervous about playing with Juliet because she's "the delicate one," she's not letting Roman go just yet. Can one night together be the start of something wonderful, or will it just be a fantasy played out for them both? Christina Thacher wrote this short story so you can try out her writing at minimal cost. Roman and Juliet features other characters from The Aerie Doms universe, but it's a stand-alone story with its own satisfying ending. Warning: This erotic romance has lots of sex, including some light bondage (approximate length: 11,000 words). The bonus material has more sex, including dominance and submission, impact play, and a really kinky scene in The Aerie owners office! Bonus material: this book also includes the first chapters of The Locked Heart, The Frozen Heart, and The Secret Heart (books 1 to 3 of The Aerie Doms series).
