**Von Tasker Dean : Roman Games (Idol)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Roman Games (Idol):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Makes you appreciate physical contact sports. Von Ein Kunde Lots of steamy physical action, but it's incorporated into a rather

intriguing story. Vivid descriptions and strong characters. A real man's book.

Kurzbeschreibung Sam has waited all his life for the man he knows waits for him somewhere. When he visits the island of Skate to do some work for Denton, a mysterious young aristocrat, he is taught how to submit to other men; acting out an elaborate fantasy in which the young men become wrestling slaves as in ancient Rome and Denton their master. At first, Sam is reluctant, but before long he is submerged in a world where sex and status are interwoven. He must learn how to win and how to lose. If he is to have his beautiful prize - the wrestler Robert - he must learn how the Romans played their games.
