**Von Kate Evangelista : Romancing the Bookworm (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Romancing the Bookworm (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. War okay...Von Moppyvon der Geschichte her, aber an manchen Stellen einfach zu kitschig (selbst fr mich). Was mich an der Geschichte gestrt hat war das leicht berdrehte, sehr stereotype Verhalten aller und die Tatsache, dass jedem eine

Grundaggressivitt eigen war (es kam immer schnell zur Prgelei, auch die Mdels). Das konnte ich nicht nachvollziehen. Gemocht habe ich die Tatsache, dass die Gewichtsthematik nicht stndig present war.

Kurzbeschreibung Sometimes, even the best-laid plans can unravel. It's spring break, and Tamara Winters would rather stay on campus and read romance novels than flaunt her size-fourteen body on a beach. But her best friend, Ronni, has other ideas. Against her wishes, Tamara is whisked away to picturesque Maverick Bay, where she's wrangled into waiting tables with Ronni at the Shore Shack for its busy week leading to Maverick's Surf Invitational. There she meets fellow schoolmate Xavier Solomon, the Invitational's organizer and campus womanizer by reputation. From the moment Tamara sees him emerging from the waves like a hero in one of her romance novels, all she wants to do is run away from the feelings he inspires in her. Little does she know Xavier has been watching her for weeks now. In fact, after failed attempts at asking her out on campus, he's concocted a crazy plan: fabricating romantic situations straight out of her favorite books. Xavier quickly realizes that if Tamara gets a whiff of his designs, he might as well spell CREEPER across his forehead. Yet as they grow closer, he's convinced it's a risk worth taking. What he hasn't planned on, of course, is his drug-addicted, alcoholic stepbrother, who decides to join the fun and put a wrench in Xavier's scheme. Spring break is proving hotter than Tamara expected. Will her romance novels be able to compete?

ber den Autor und weitere Mitwirkende When Kate Evangelista was told she had a knack for writing stories, she did the next best thing: entered medical school. After realizing she wasn't going to be the next Doogie Howser, M.D., Kate wandered into the Literature department of her university and never looked back. Today, she is in possession of a piece of paper that says to the world she owns a Literature degree. To make matters worse, she took Master's courses in creative writing. In the end, she realized to be a writer, none of what she had mattered. What really mattered? Writing. Plain and simple, honest to God, sitting in front of her computer, writing. She is the author of Taste, Reaping Me Softly, Til Death, and Impulse.
