Von William Shakespeare : Romeo and Juliet: Third Series (Arden Shakespeare) before purchasing it in order to gage whether or not it would be worth my time, and all praised Romeo and Juliet: Third Series (Arden Shakespeare):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. "Excellent", aber eher fr den Leser mit literaturwissenschaftlichem AnspruchVon David KnechtArden Shakespeare hat schon seit der ersten Ausgabe Mastbe fr die Literatur des Meisters gesetzt, und so ist auch die Third Edition mit Sicherheit ein unverzichtbarer Begleiter frs Studium. Habe die zweite und dritte Edition in meinem Bcherregal, und

muss sagen dass sich die dritte durch die wesentlich ausführlicheren Kommentare und das umfassende Zusatzmaterial noch etwas besser für wissenschaftliche Arbeiten eignet. Insbesondere Leser, die sich u.a. auch mit der Person William Shakespeares etwas genauer beschäftigen wollen, finden mit Sicherheit gefallen an diesem wirklich guten Buch. Der Laie würde sich höchstwahrscheinlich etwas berrumpelt fühlen, da eignen sich andere Ausgaben besser. Insgesamt: Kaufempfehlung, 5 Sterne.0 von 1 Kunden fanden die folgende Rezension hilfreich. Für die Uni Von Tobias Engelmann Es war kein Vergnügen Kauf, also geb ich einfach mal 5 Sterne, weil ja alles gut lief usw... Drei Wörter verbleibend.

Kurzbeschreibung This major new edition of Shakespeare's greatest tragedy of love argues that that play is ultimately Juliet's. The play text is expertly edited and the on-page commentary notes discuss issues of staging, theme, meaning and Shakespeare's use of his sources to give the reader deep and engaging insights into the play. The richly illustrated introduction looks at the play's exceptionally beautiful and complex language and focuses on the figure of Juliet as being at its centre. Ren Weis discusses the play's critical, stage and film history, including West Side Story and Baz Luhrmann's seminal film Romeo + Juliet. This is an authoritative edition from a leading scholar, giving the reader a penetrating and wide-ranging insight into this ever popular play.

Pressestimmen "Rene Weis's "Romeo and Juliet" lives up to the high standards of the Arden Shakespeare, with an extensive introduction, expansive editorial glosses, and even a facsimile reproduction of Q1 in an appendix." - Garrett A. Sullivan, Jr., Rice University
